Two little psychopaths creating a scheme  
You cover my butt and I will make your life a dream.  
We'll will plunder and pillage with out any remorse  
We can keep hidden our agenda though any course  
With the Vampire as a metaphor for our psycho mind  
We are loyal to no one, leaving all behind  
We pretend to be your best friend,  
We will suck the life right out of you in the end  
We leave a path of devastation for you to repair  
Few will believe you cause we are a great pair  
Who threaten, blackmail and destroy  
Your life as though it were a breakable toy  
You have no value to us, other than what we can take  
All of our befriending is fake,  
That serves our animal nature which renders and shreds  
Your life to pieces leaving you emotionally dead  
Your demise is our goal, as we are 1 in each 100  
and we create systems to maintain our system of dread  
You can't win so don't try  
Our minds are hardened and here is the reason why  
Psychopaths are the apex predator of the human race  
and unless you are like us, you can't keep up the pace.  
Enlightened Psychopaths reveal the truth.  
Come with us and step into our booth.  
The secret is revealed to those whose mind has been excavated  
Not being afraid to look because their own inner psychopath has been extricated.  
We must all be "The Toto" and pull back the curtain,  
Revealing to others a truth that is certain,  
When truth is revealed there is nothing left to say

Because the metaphor of the blaring light of day  
Reveals what the psychopath believes is hidden.  
Their recruits continue the path which is well ridden,  
By those before of long century's ago,  
Whose agenda is nefarious supported by an insane ego.  
To become enlightened to the psychopath within  
You must not be afraid to admit the harm the insane mind keeps hidden with a grin,  
Revealing to the Divine  
Your insane mind  
Transformation take place in that state of radical honesty,  
Because you choose with grace and modesty  
To change your behavior from causing harm  
To one of a truth seeker without the need of any magical charm  
Freeing the mind through forgiveness, not judging the need,  
To forgive is the anti-dote of the psychopaths creed.  
Forgiveness in the present undoes the past and releases the future  
Releasing your attachment for things to be different, leaving no mind suture.  
When your mind is disturbed and upset, no one is responsible but you,  
Making a complaint of guilt or blame, is just mind poo.  
Looking within, admitting the truth to yourself and the Divine,  
Will not make your journey easy, it will allow you to align  
With the true source of all things  
That only the truth can bring.

Donations of \$5.00 will receive an additional book banned by the FDA, because the therapy is effective. Donations of \$10.00 and above will receive an additional book regarding preventative measures anyone can take to improve their health and wellbeing. Note extra books will be sent to the email listed on the donation.

This dissertation is “free to anyone,” because everyone in the world needs to understand what is wrong with this world and it needs to be fixed now! A donation is appreciated: [cfs@mvppprograms.com](mailto:cfs@mvppprograms.com) at [www.paypal.com](http://www.paypal.com). Also we support ourselves with our website: <https://hw.life> This is an amazing product that everyone needs. Experience therapeutic sleep and restore your health and much more.

~> **The process of creating this expose’** <~

This dissertation is not perfect, nor it is meant to be. It is an effort to help the peoples of the World recognize that there is a World Wide Problem, which professionals know and understand. The professionals are challenged with how is how to help us normies recognize the problem. There is an area of study “abnormal psychology” which covers this topic. There are articles I found and have incorporated into this dissertation in an attempt to help them get the word out about this worldwide problem. There are several topics covered here with 1 common theme that is the undercurrent of this presentation.

There are references for which the website(s) are provided, where you can view the whole article. I have extracted exact quotes because these are professionals and you need to hear from them, i.e., what they understand, know and have concerns about.

Also this presentation is free to anyone because everyone in the world needs to understand this phenomena. A donation is greatly appreciated, as this is actually the results of lifetime accumulation of experience that now finally makes sense, due to studying what causes worldwide trauma.

I came to realize that there exists very little who understood this as I came to understand psychopaths and psychopathic systems. I would chat with friends about it and as I explained how I understood it, it was very easy for my friends to grasp the concept.

So now here it is about 3 years later and I realized that how I explain the psychopaths and their systems needs to get to a much larger audience because it is a time of confusion, not understanding what has happened to our ability to discuss opposing ideas – being shut down by a force that does not even understand why they are shutting down opposing ideas. World we have a problem!

There was much discussion and debate that created our US Constitution and Declaration of Independence. Have you studied why those documents had to be written? Do you understand what the Founding Fathers attempted to create for us here in this USA? That could not have happened with out discussion and debate. You are not required to agree with another’s opinion. Why is there the vicious effort to not understand another’s ideas or thoughts about a topic? It makes absolutely no sense. Until you understand the Psychopaths and their Psychopathic Systems. Not to worry. This is an expose’ that reveals how you can recognize where they hang out and what they do. Come along with me if you dare. We will pull back the curtain on what is currently taking place. All it takes is a little Toto, who goes right to the issue and reveals the culprit that is a pretend magician who mis-directs your attention away from them and their systems so you never recognize what they are truly up to.

I struggled to come up with a title because there are so many that are appropriate:  
The Psychopathic Matrix Revealed by The Enlightened Psychopathic  
The Non-Deplorable Basket VS the Deplorable Basket  
(An explanation of Non Deplorable plan to convince the world that the Deplorable’s are insane.)  
The Deplorable Basket Speaks  
What Happened – Divine Intervention

This dropped into my mind one evening:

“World we have a problem - psychos to the left of me, psychos tot the right “I see psychopaths” decoding the psychopath within and without”

Note: Everynight when I get into bed, my mind thinks and thinks and thinks about Psychopaths and their systems because I see it everywhere now. Now that I understand how they operate behind the curtain. There is information now daily that reveals the psychopathic operation they think are secret.

I knew years ago that I would write a book of some kind. I just did not know how I would do that. So about 20 years ago I started a website where I could put up information that I found interesting, [www.divinedominoes.com](http://www.divinedominoes.com). That allowed me to archive info and not have to always save the file, and provided a way to easily search a topic. A little over a year ago I added two categories: “Enlightenment” and “Psychopathic” to help others understand the distinction. So there is additional information to explore in those categories to understand both topics beyond this expose’.

I have observed during this current political a “crossfire hurricane type behavior” I would never have anticipated. I was never trained by my education or family to react emotionally. Somehow I learned to observe, and think on things. Of course back then we only had the evening news for information and only 3 TV channels from which to receive local and national news.

Principle Everyone should adopt: Be the Observer and Not the Emotional Reactor – to everything. That is how you will retain your sanity.

Now with the Smart Phone age upon us and all of the internet technology available to us we can get instant live information. A whole host of internet stars have risen creating their own informational channel on video upload venues and live video/internet/real time chats, which circumvent the controlled news media narrative. That really frustrates the Main Stream Media (msm). I think it is hilarious, because their (msm) true colors have been exposed and it is truly eye opening. When did news channel journalists become opinion hacks – attempting to influence what we believe. This is how a cult operates. How do I know this? Life experience in a religious cult. Once you understand how the cult leader(s) operate that can be used to understand how words of manipulation can be used in any venue to influence, whether it is true or not. This is where being the observe will greatly serve you.

Here is what is occurring which many have not been able to articulate. There is a fight over The Matrix that we experience. We are now going into the realm of the metaphor. It will help for you to discern the literal from the metaphor. I will endeavor to indicate the metaphor with [m] from here - so that clarity of this topic will be understood from the literal [l]

Actually one word or phrase can be literal [l], a principle [p] or metaphor [m]. There may be more.

Before we continue here are principles that I have gained over my lifetime than have helped me.

1) Separate what you think from what you feel. When you can trace down the thought that creates the emotion you will be on the way to understand yourself. Your emotions reveal your standards and ethics. Since your thoughts create your emotions that will reveal your thought processes. Then take the time to examine those thoughts to understand your mind processes. Don’t judge. Just learn how your mind works. Simply engage with yourself and ask yourself this question. Name the emotion you are feeling and ask yourself – What is the thought creating this emotional of \_\_\_\_\_. Then just wait. This is a mind training process. Be patient for the answer. As you continue to discipline your mind to separate thoughts from feelings it will get easier and easier to get the answer from your mind. The thought you receive will provide an insight into how you relate to your experiences. Do not judge your thoughts, simply observe them and offer thanks to your mind for revealing your thoughts to you. If we all did this there would be much less need for drugs whether from a covert supplier or from psychotherapists, psychiatrists, etc. Drugs seldom solve the problem. Granted that there are some mental conditions that drugs can help the brain, so that you are a functional human. We are over drugged and far too many choose that route rather than actually attempt to solve the problem of the mind, because it takes self-examination. Self-examination is a process that is not taught in our schools, unless you reach college and take classes in the

field of psychiatry. You can get started today on your self-examination journey, by studying “Objectivism” by Ayn Rand and any book by Nathaniel Brandon.

There are of course many, many books on the topic.

2) Cause no Harm. Cause no Harm is [l, p, m] If everyone functioned on the “do no harm” principle by learning their thought processes and not unconsciously reacting we would have planetary peace. We have no peace because of the “evil” interference by the “evil doers and their evil systems.” We could call them warmongers creating discord between people, groups and countries. There is absolutely no reason for us not to be a peaceful world. All we have to do is choose peace, and act in a peaceful manner. If you are not being peaceful then you have a mind that can be controlled by others. If you don’t control your own mind then you will be subject to every other mastermind that is a master at sowing discord. Strive to follow #1 above and get control of your vulnerable mind – if you do not - you will be seduced into insanity.. “You have to fight for your sanity.” Don McLean, author of song “American Pie.”

3) You must be radically honest with yourself and with your Divine Source. [l] This is a lesson I learned by watching “Believe” on OWN. I happened to binge watch the series and figured out that what you believe is irrelevant to whomever you subscribe to as a Divine Source that does not promote causing harm. Any belief that promotes harm and destruction is from the “evil mind” that has been confiscated from your control and not a Divine Source. Most everyone followed in that series – Believe - was on a journey to resolved a pain burden that they could not get past. Murder in any form does not heal the broken heart. It takes effort to heal the heart and mind and is difficult because the mind resists to do the work/practice. It did not matter what religious/spiritual belief that was subscribed to. All were seeking an answer to a pain burden that had them frozen in their heart and mind. When they were radically honest about their issue, then a trans-formative event took place within the mind relieving them from their pain, by supplying insight to their pain. They had a change of mind, which brings freedom to the mind.

Radical Honesty [l] is difficult for the mind, because it is difficult to admit to yourself the horror that you hide from yourself. You can’t fathom that your Divine Source can handle such information because you are afraid to learn how horrific your thoughts are. Your Divine Source can take it. **The issue is you can’t take it.** Holding onto that pain just chases you around until you confront it. Admit the pain early, honestly look at your thoughts and experience the freeing transformation. We have been inculcated with the belief in “guilt” for thinking bad thoughts and been taught that an angry God will punish you for eternity? How is that loving? How is that any different than what Scientology does to people who leave Scientology and then stalk them with cameras, go through their garbage, spread vicious rumors. Oh yea. That is something I want to run right back into? That is insane! The stalking is insane. The stalking is torment! WTF is wrong with this picture?

In the Bible there is the story of the Prodigal Son. I am going to shorten it here to make a point. It is a great metaphor. The Son is given his inheritance by his Father and spends it and ends up having to work for a meager existence and live among the pigs in the mud. Then one day he comes to his senses and decides to go back home. Note: The Father does not chase him down. The Father allows the son to have his experience. The son on his own decides to go back home. A manager of the Father’s estate sees the Son walking up to road to home, runs and tells the Father. The Father declares they need to have a party to celebrate the Sons return. The Father does not go out and lecture the Son or beat the crap outta him for being so stupid in loosing his inheritance. The Father celebrates the Son’s return. This is a great metaphor for how the Divine Source allows you to have your journey and celebrates when you wake up and realize you can go back home and be supported in your enlightenment which you worked for through your pain. There is no punishment for waking up. You punish yourself by staying asleep, which may allow you to turn to the dark side. Once you are awake you cannot go back to sleep and deny your journey/destiny.

~>**What Imagine Dragons has to say**<~

Take a look at the lyrics to “Demons” by Imagine Dragons

Wow. What amazing insight into the internal journey that we all are confronted with. These lyrics are very revealing that someone has taken this journey of self-examination.

Look up the lyrics for “Demons” by Imagine Dragons right now before you proceed further in this expose’. Those lyrics will enhance your journey to understand self-reflection and the challenge it brings. Self – reflection is a must to evolve through your human experience. So stop reading and look up the lyrics to Demons and ponder on them. Can you understand what the author of that song is attempting to convey? Take some time to ponder on those words and you will see into the authors soulful journey.

Wow! Wow! Wow! - Can you understand the internal struggle those lyrics are expressing? If all of us were this honest with ourselves we could transform out of the control of the darkness within [l,p,m]

Now in this very moment I was inspired to listen and view the words of the song “Believer.” For some reason I just liked the music, and have heard it incorporated into movie advertisements. I never knew what the words actually were nor who this music was authored by. I have just been blown away [m]. It is another song by Imagine Dragons, which I did not know...

Believer by Imagine Dragons on their album “Evolve”

So now your mission is to go look up the lyrics to “Believer” by Imagine Dragons  
Can you understand the authors soulful journey in Believer?

OMG! OMG! Believer is full of [l,p,m] on many levels. Who ever is the wordsmith on Believer is amazing. I have to go listen to it again right now!

Now for a Spooky Quantum Entanglement event. After I listened to Believer I remembered a song by AWOL Nation. (We have slacker radio in our car and it is much like Pandora where you pick a genre and other songs are automatically selected in that genre.) My Slacker Radio station is “Sail.” It is a song by AWOL Nation. There was a song in that genre by AWOL Nation and I remember the words from that song “ about a human being doing terrible tings” So I searched on Sail in youtube because I could not remember the group. When AWOL Nation came up I searched google with the phrase “awol nation i am a human being.” I never paid attention to the name of the song when it played on slacker from my Sail Radio station. On that google search the album “Run” came up. Not knowing which song those words were from - I requested the lyrics for “Run” and guess what – Run is the song with the words that so clearly state the unfortunate facts of the horrible things a human can do to another human Spooky Quantum Entanglement event. Could we also call that a divine dominoe? This is just how it unfolded today.

Demons is an expose on the inner struggle with the self and also the inner struggle to reveal that darkness within you can direct to others and especially to those you love which creates more internal conflict because once the inner darkness is revealed you risk loosing your friends and those you love. Notice that the song Demons is about the inner struggle, not the outer struggle to act out and cause harm outside of your body. Staying within and facing your inner demons is what enlightenment is all about. Simple, right. What is the process to enlightenment. Go back and read the section about the series “Believe,” on OWN.

Now onto “Believer”. This is revealing that the inner demons are conquered by accepting that the “pain” when journeying through the pain, rather than acting out the pain onto others which solves nothing, allows you to take control of yourself, and your mind, so that you are not controlled by outside forces and can think for yourself. That is well stated in the portion of Believer that talks about the events that happened in child hood, owned it, and owning it became the master of the pain.

That lyric is a mantra that everyone should print out and meditate on.

There is a line that talks about transformation out of the pain and connecting to a spiritual journey.

As author's are not allowed to provide the exact lyrics to songs, you will need to read the words and see if you can find which words I am referring to. It is all a journey, so take some time to examine the worlds of "Believer."

Those words are the process of being "radically honest" with yourself and your divine source. Consider that prayer is simply the practice of "radical honesty" which allows for a transformation to take place in your heart and mind.

### ~>**Transformational Experience of Radical Honesty**<~

This took place at my husband's father's funeral. I hated his father, because he was a rager, and chronic complainer. He had to tell 5 people his complaint. When ever we went to his parents home I always did what I could to get out of the house. I did not have such an experience in my life and it really fractured my energy field. When I got back home I would be grumpy for 3 to 5 days and hated myself.

So at his funeral I was observing all of the people at his funeral, perhaps about 80. I was asking myself how could so many people be at this funeral when they knew what a SOB he was. While I am sitting in the back having this radically honest conversation about how much I hated him and just had extreme trouble getting past that hate no matter how much forgiveness I practiced on the matter over the years. There was a man in the back (this was a Catholic church) singing his 2 favorite songs. As I listened I swear I could hear angels singing in the background. I began crying. Through my tears I observed that this person, was also a grandfather, a brother, a son, a step-father, a husband, an uncle, cousin, nephew...some of the relatives and friends crying. In that moment I had the realization that because of my husband's father I had gained an extended family. My husband has 3 older sister who just made me a part of the family. When my husband came into my life my family had fallen apart and I had no communication with them for about 2 years. I realized if it wasn't for the Father whom everyone knew was an SOB, and were able to push through – I gained an immediate family who welcomed me. When I had that realization I had an amazing release of my hate and that transformed into a state of gratefulness for this man. I had an attitude adjustment. My thoughts changed. If you have ever been through an NLP session and experienced the mental, emotional, physical relief that can bring, it is like feeling the exhaustion from running a marathon. That is how immense the relief was from the hate I felt. I was so grateful for the release and grateful for the gift of an extended family because of this man. A change in your mind can be instant, you just have to be radically honest. Back to Oprah's Believe series. The release that I had at the funeral is the same relief that those seeking an answer in that Believe series. You do not need to be joined to a group of any sort to experience a transformation. You just need to be radically honest. News Flash: The Divine Source can handle the truth about you and your dark side.

Are you wondering why I am pushing the practice of radical honesty? Keep reading...

It is not easy to journey into radical honesty – it is very difficult because it reveals the terror that lives within the mind and that can be frightening because you are afraid that you will act out and cause harm to another. Actually **it is those who are not radically honest that cause the harm**. There is a mental condition that prevents 1 in a 100 from looking within. In fact they have created systems with which to seduce and snare people in to *their* Matrix that have no understanding of their methods. This dissertation that I am constructing here is my attempt to free those who have been seduced and ensnared unawares. The journey continues...

I am just listening to “We The People” live youtube broadcast from April 8, 2018. There were several that went to Washington D.C. for an event and they are talking about it. They went there to support Dr. Jerome Corsi who has written, “Killing the Deep State.” He was at Barnes and Noble for a meet and book signing. He also made arrangements with B&N to allow those who had already purchase to bring their books for him to sign. As I am listening to this broad cast there are 5 of the moderators of the “We The People” live stream who are in the live image and sharing about the event and how they plan to further support Dr. Corsi. The moderator who is providing this from his home just brought up Lee Greenwood’s “I’m Proud to be an American”, while the President and First Lady are entering the hangar. I always cry when I hear that song, and to see the President and First Lady walk in during that song is very emotionally moving. The background cheering for the President and First Lady is heart warming. These people (Corsi supporters) have chosen the Red Pill [p,m]. Keep reading...

### ~>The Matrix Fight<~

There are those who endeavor to manipulate the Matrix [p, m] we collectively experience [l]. Did you get that.? You can have a Matrix experience that is both a principle and metaphor and literal. Are your eyes crossing? There are factions who are experts at Matrix narrative manipulation with a story that may be true, part true, a lie or part lie. How do you figure out which is manipulation, true, part true, lie, part lie?

Here is what I have observed during this current political firestorm. The factions that attempt to manipulate the collective Matrix by a prescribed narrative keep digging an informational hole [m] because they are attached to that narrative being the truth, whether it is true or not [l]. That attachment does not allow them to accept any information that would contradict their story/narrative [l]. They have chosen the Blue Pill [p,m].

Just heard Jimmy Kimmel say in an interview that he is not interested in hearing/discussing an opposing viewpoint. Robert De Niro tweeted something similar that he has gone beyond the ability now to accept an opposing viewpoint. What? Really! He would not have been able to withstand the verbal discourse that the Founding Fathers had to engage in to bring about Freedom from Evil. That attitude by Kimmel/De Niro and others who are in the Blue Pill Matrix is why the Declaration of Independence and the US Constitution was created to allow us to experience “Freedom from Evil.” Thus those like Kimmel/De Niro are attached to a story being the truth no matter if it is true or not. What happened to disagreements being accepted because you take the time to discuss the opposing viewpoint to understand the other persons position/ideas? Classic example of Blue Pill vs Red Pill Matrices.

Then there is the faction that wants the truth to be considered [l, p] which has no attachment to manipulating the narrative [l] by presenting the evidence which the MSM will not even acknowledge [l, p].

Now what you have is an informational [l] war [m] between those factions. One faction wants to manipulate the informational Matrix [l,p] and the other faction [l] attempts to have the evidence considered by the first faction. The manipulated information cannot be accepted due to their attachment that the manipulated information be the real truth, whether it is true or not.

Pres Trump on inauguration day swore: “to preserve, protect and defend the constitution of the United States. That is our Presidents only job. Not anything else. Nada. Zip. Zilch. Name one thing that Obama did to preserve, protect and defend our US Constitution? Obama did was as much as he could to dismember, destroy, subvert, violate all that our US Constitutional laws and principles that were created . to protect, us from the “evil.” That ‘evil’ is declared in the “Declaration of Independence.” We will delve into that later. We could say it is a Declaration From Evil. This ‘evil’ will be defined in this philosophical dissertation so you will be able to easily identify how “evil” functions and manifests in our world experience.

Oh by the way Michelle, my Father never, ever did a thing to “dismember, destroy, subvert, violate all that our US Constitution laws and principles that were created to protect, us from the “evil” like your husband did. Your husband whom you are obligated to defend does not mean you make up metaphors to denigrate the other person you do not agree with. Have some dignity. Hey former first lady if Jimmy Kimmel had made any derogatory statement about you (HRC) – it would have been called racist. So what do you call what Jimmt Kimmel said about Melania during the Easter event at the Whitehouse 2018. Where’s that Fatherly support now? Why isn’t he speaking up? Why aren’t you?

With the topic(s) that I have studied over the years a congruency of understanding has manifested. It is an understanding that is wholly out of the quadrant thinking. Once you see [l,p] behind the curtain [m] how the manipulators operate [l]– you can never unsee it.

WARNING: Proceed with Caution. If you cannot handle/consider that there is a secret effort to steal/circumvent your ability to think and reason what is truly occurring then stop and turn back. This is not conspiracy. FYI: in law any two people agreeing is “conspiracy.” This a philosophical dissertation. There is a hidden condition that we all must confront that hangs out in our mind. Once confronted you become in charge of your life rather than an emotionally reacting victim. Did you miss it? I already clarified it in the section above on “Believe.” Go back and re-read that section.

### ~>The Black Ops of Hidden Psycho-pathological Agenda<~

From here on I will attempt to build a case with layers of events that point to the secret operation of this black ops [m] hidden psychological [l,p] war [m] that hides to keep the covert tactics of the mind manipulation functioning. Once exposed you can choose to change what you think, feel, believe. You will be in charge and not the irrational operation of your emotionally reactive mind. This work is to help you understand that you have a choice – truth [l,p] or illusion [l,p]. You can truthfully choose illusion [l,p]. You have the freedom to consciously choose the illusion and deny the truth. Now that is true freedom. **Bet you never considered that is what ‘freedom’ truly is. A state of mind that chooses truth or illusion, knowing truthfully that you have the option to choose the illusion because the truth is just too horrific to acknowledge.**

There will be some horrific truths being revealed and many will want to close down their ears, eyes and mind to the horror. Choose to get ready to help those you truly care about through this coming horrific reveal. Look for those horrors to be revealed possibly after the Military parade that President Trump wants on Veterans Day 2018.

Get prepared: on [www.youtube.com](http://www.youtube.com): We the People, CBTS, Seething Frog, Lionel Nation, TrueLies QNN, Citizens Investigative Report, Praying Medic, Stroppey Me (my favorite due to the Australian accent) there are more...to understand what they are referring to go here: [www.qanonpost.com](http://www.qanonpost.com)

**A definition of “evil.”** (Evil is not the hidden ops.) The term evil is a metaphor for the actual psychological condition which we will reveal later in this expose’.

The following *italic words* are from ACIM (A Course in Miracles). Then I clarify below the “quotes” FYI: The “miracle” is that you change your mind about the world, with the tools provided in the ACIM discourse.

*Vengeance is...a misinterpretation. By which one assigns their own evil past...*

Projects their own evilness on to others to hide their own evil deeds (no ability to be radically honest with theirself, so the hidden terror is projected onto others)

*...the sharing of evil dreams and hate...bitterness, death, suffering and loss...*

We share a collective Matrix experience that is orchestrated by the evil doers.

*...if you share an evil dream. You will believe the evil dream you share and knowing it you will not want to know your own identity. You will make war upon yourself, which seems to be your enemy, and will attack your brother as a part of what you hate. You are yourself or an illusion. What can be between the truth and illusion? Where you can be a thing that is not you, must be a dream and not truth.*

Hiding within the dream projecting evil onto others, prevents you from doing an honest self-assessment of the evil within your mind. Projecting your evil onto others is an exposure of the war you are exacting on yourself. Are you the projection you hide from yourself? How do you assess who you really are? Can you assess your own evil within your own mind? That which you project onto others creates a false Matrix narrative for who you are and who others are.

*you think you are the home of evil, darkness and sin. You think if anyone could see the truth about you, he would be repelled, recoiling from you...*

Therefore you create a scenario that prevents you from an authentic self-examination/radical honesty. Blaming others does not allow you to self-assess. Someone wrote a book about that very action "What Happened." No ability to self-assess via radical honesty [1]

O.K. I am going to say it right here. There are many who believe Donald Trump's win was Divine Intervention, because all of the odds were on HRC winning. When you understand all of the odd's orchestrated before and now during his presidency against him it certainly appears there was other worldly support. Now if there was Divine Intervention for Donald Trump to become president, you also must accept that all of the excuses in "What Happened" were also Divine Intervention to prevent HRC from being president in 2017. Hmmm....

*your evil thoughts as you see value in attack...and so they come in fearful form, with content still concealed*

You function is from only 2 forms - Love or Hate. Fear is from Hate and always seeks to conceal from others that you are functioning from Hate. You are really concealing from yourself that you are functioning from Hate.

*what is not happiness is evil*

Isn't it interesting that the US Constitution declares that we are free to pursue life, liberty and happiness, as our unalienable rights given to us by our Creator. What did the creators of the US Constitution understand about evil? Why was that document dealing with our function on this Earth?

*what is ego. Where the evil was.*

The Divine does not see you as "evil" because anything that comes from the Divine does not contain evil. The evil that you create is from the illusion of the separated ego, not truth. Separation is the manifestation of the absence of radical honesty.

*where is the ego. In an evil dream, but seemed real while you were dreaming it.*

Evil lives in the illusory self and projects to create the narrative of the false Matrix (dream).

*Love cannot give evil and what is not happiness is evil.*

Spreading hate is the lie you deem to create as your self. Hate creates separation and division. Who is endeavoring to create separation and division? Who is creating a false narrative? Who is endeavoring to keep you in turmoil so that you war with yourself and others? Who is endeavoring to bring happiness to your life? Do you exist in the state of love, or hate. Now doesn't that make life more simple? There is only Love or Hate manifesting. Which state do you exist in? What state do others exist in? Why do you hang out with those who manifest Hate?

*You could be anyone or anything, depending on whose **evil** dream you share. You can be sure of just one thing; that you are **evil**, for you share in dreams of fear*

You are free to not share in the evil dream of others, thus setting yourself free. You have a choice. That can be a tough choice because that means you will not have those people around to influence you. Hanging out with your own thoughts can be a very scary thing, because you will need to be radically honest about your true intentions. Facing the truth of who you have chosen to manifest takes away all of your illusory excuses.

*Forget not that the witness to the world of **evil** cannot speak except for what has seen a need for **evil** in the world.*

It is extremely difficult to be radically honest with yourself and look at the evil within. Those that blame and make excuses have no ability to honestly self-asses. The inability to self-asses the evil within causes you to see only that your hidden evil will naturally self-express via projection on to others to hide your own evil.

*Pain is the thought of **evil** taking form, and working havoc in your holy mind...*

Evil only creates pain. Pain that is docked in the mind. That is Hate, not Love. How do you relieve yourself of the pain from evil that lives in your mind?

*...in yourself that have reality, nor changed the universe so that what God created was replaced by fear and **evil**, misery and death. If you remain as God created you fear has no meaning, **evil** is not real, and misery and death do not exist*

Here you have the perspective of the Divine about who you truly are. Because of self-hate which comes from Fear trapping you in the inability to be radically honest, you believe if you look at the evil within you will no longer be held in esteem of the Divine.

Note: in my own personal experience – I have learned that the Divine can take the truth of the evil that resides within. What horrifies you is how horrific your potential is to create horror on yourself and others. Better to admit your inner evil than hide it by projecting it by blame and excuses onto others. That resolves nothing. Who keeps you in turmoil, blames and makes excuses? You not only do that to yourself, you will also allow others to do it to you. Stop it now, you deserve better. Why do you *not* see yourself as the Divine sees you?

*Sin "proves" God's Son is **evil***

False projection kills. Is that what you are meant to do? Is that your true purpose?

*Although you are one Self, you experience yourself as two; as both good and evil, loving and hating, mind and body. This sense of being split into opposites induces feelings of acute and constant conflict, and leads to frantic attempts to reconcile the contradictory aspects of this self-perception. You have sought many such solutions, and none of them has worked. The opposites you see in you will never be compatible. But one exists. The fact that truth and illusion can not be reconciled, no matter how you try, what means you use and where you see the problem, must be accepted if you would be saved. Until you have accepted this, you will attempt an endless list of goals you cannot reach; a senseless series of expenditures of time and effort, hopefulness and doubt, each one as futile as the one before, and failing as the next one surely will.*

Here we have the distinction that we are at conflict within ourselves. When you have not resolved that conflict within the self it then tends to be projected out onto others unconsciously. That projection is an attempt to hide the evil within. It is very difficult to confront and acknowledge the evil within. Where are the classes and training to learn how to confront the evil within? That is the challenge we all face and must figure out on our journey. This is also the problem with the World – those who inhabit it have no skills to confront or resolve the evil within it without causing more evil!

*“ Spirit makes use of mind as means to find its Self expression. And the mind which serves the spirit is at peace and filled with joy. Its power comes from spirit, and it is fulfilling happily its function here.*

*Yet mind can also see itself divorced from spirit, and perceive itself within a body it confuses with itself. Without its function then it has no peace, and happiness is alien to its thoughts.”*

When we are tapped into our Divine purpose there will be no conflict within the self. Note: Conflict resides in the mind only. Note the only way to get tapped into your divine purpose is to have a process by which you confront and conquer the evil within, via radical honesty with yourself.

*“If we are using perception to justify our own mistakes—our anger, our impulses to attack, our lack of love in whatever form it may take—we will see a world of **evil**, destruction, malice, envy and despair. All this we must learn to forgive “*

Forgiveness in the present undoes the past and releases the future. That means whatever angst that manifests in your mind on any topic is your issue and needs forgiveness. It is a process called “fearless forgiveness.” Anything that brings fear to the mind needs forgiveness. You never, ever need to justify forgiveness. It is your mind that is in turmoil. Not the topic. The topic is a trigger for you to take a look at the evil within. In the moment you react is the moment you need to forgive. Practicing forgiveness in the present moment also helps to alleviate past mental angsts that you hold onto and releases the future by having those things which bothered your mind to no longer be an issue for your mind. Forgiveness is a practice that your separated ego will resist. Fearless forgiveness is the best method to alleviate the evil that resides within the mind. “Fearless Forgiveness” is a term from a workshop I attended by Gary Renard. More at [www.garyrenard.com](http://www.garyrenard.com)

*“rests upon your eyelids so you see no dreams of fear and **evil**, malice and attack. “*

This is the state of mind you can achieve with the process of Fearless Forgiveness.

*Deny your own Identity, and you will not escape the madness which induced this weird, unnatural and the veil of ignorance is drawn across the evil and the good, and must be passed that both may disappear, so that perception finds no hiding place. How is this done? It is not done at all. What could there be within the universe that God created that must still be done? ghostly thought that mocks creation and that laughs at God. Deny your own Identity, and you assail the universe alone, without a friend, a tiny particle of dust against the legions of your enemies. Deny your own Identity, and look on evil, sin and death, and watch despair snatch from your fingers every scrap of hope, leaving you nothing but the wish to die.*

There is nothing else for the Divine to do. All principles are stable and available. It is the part of the mind that believes it is separated from the Divine that evil has been allowed the door to be open to start the descent into the trap of the evil mind. What about those religions who believe death is a reward when murdering other human beings? What kind of mind takes a family and straps bombs on the children? How can that in any definition of sanity be a Divine purpose?

*A dream of judgment came into the mind that God created perfect as Himself. And in that dream was Heaven changed to hell, and God made enemy unto His Son. How can God's Son awaken from the dream? It is a dream of judgment. So must he judge not, and he will waken. For the dream will seem to last while he is part of it. Judge not, for he who judges will have need of idols, which will hold the judgment off from resting on himself. Nor can he know the Self he has condemned. Judge not, because you make yourself a part of evil dreams, where idols are your "true" identity, and your salvation from the judgment laid in terror and in guilt upon yourself.*

We must accept that we created a false dream of terror, which we project onto others to justify the terror we perpetrate onto others. When we face this dream of terror and admit it resides in the mind, then we can take action to change our mind and free ourselves from the dream of terror. Releasing ourselves from the dream of terror is a process of admitting the ideas of horror we create to hide that we can have such thoughts of horror, mayhem, destruction, etc. Once admitted, we have also admitted to our Divine Source that we harbor such thoughts. We are fearful of admitting to our Divine Source we have such thoughts because we believe we will be punished by the Divine Source for such thoughts. Once you realize that the Divine Source has no animus toward your thoughts, which can be healed (thoughts), there is great freedom. Once you accept that freedom to admit your thoughts without judgement or punishment that is when true transformation can occur. Forgiveness is the practice that heals the mind from those thoughts of terror. Radical Honesty is a process where by in an instant you have forgiven yourself by admitting you have such terrorizing thoughts. Admitting those terrorizing thoughts frees you from them. Then you have room in your mind to change your mind about the thing that terrorized you. That is the definition of "miracle" - Changing your mind to a state of freedom and no longer a captive of self terror. As you release your thoughts of terror your mind is free to consider other wonderful potentials and possibilities. Fearless Forgiveness releases your mind from the fear of the horror and terror that the mind holds onto. Your mind will no longer have the need to hold the horror and terror. You will then begin to recognize others who are imprisoned in their mind of fear and how they function unconsciously from that fear. You then have a choice to help them or just notice their function and move on. When you recognize their fear you can practice Fearless Forgiveness for yourself and benefit from the fear you recognize in them. Those recognized fears are the shared dream matrix we have created thus sharing that dream. Fearless Forgiveness releases us from that shared fear dream matrix.

*All figures in the dream are idols, made to save you from the dream. Yet they are part of what they have been made to save you from. Thus does an idol keep the dream alive and terrible, for who could wish for one unless he were in terror and despair? And this the idol represents, and so its worship is the worship of despair and terror, and the dream from which they come.*

The idols are the judgement and punishment we protect to hide the horror we maintain in our mind.

*As long as any mind remains possessed of **evil** dreams, the thought of hell is real.*

Hell is created by the idols we created to punish ourselves – thus holding on to the fear dream matrix.

*while attack remains attractive to you,*

How crazy is that? We become addicted to attacking? Who perpetuates that continuing methodology of attack?

*No light but this can end our **evil** dream*

Light is a metaphor for realization. What if that realization is just waking up to the horror burrowed in the mind and admitting it?

*Fear binds the world. Forgiveness sets it free. The ego makes illusions. Truth undoes its **evil** dreams by shining them away. Truth never makes attack. It merely is. And by its presence is the mind recalled from fantasies*

And there it is. Fear binds – Forgiveness frees. Which state of mind are you choosing? Fear or Freedom? Consider that truth is a process of creating freedom in the mind by the practice of Fearless Forgiveness and radical honesty.

*The messengers of fear are harshly ordered to seek out guilt, and cherish every scrap of **evil** and of sin that they can find*

...whether real or not. Perhaps a great example of that practice is the author of “What Happened”

*The ego may see some good, but never only good. That is why its perceptions are so variable. It does not reject goodness entirely, for that you could not accept. But it always adds something that is not real to the real, thus confusing illusion and reality. For perceptions cannot be partly true. If you believe in truth and illusion, you cannot tell which is true.*

The separated ego will create separation because that is how it survives.

*Conflict is the root of all evil, for being blind it does not see whom it attacks. Yet it always attacks the Son of God, and the Son of God is you.*

The conflict is the fear of being found out so we do all that we can to hide from revealing that fear to ourselves thus revealing it to our Divine Source. The attack is upon ourself. To believe we are not attacking ourself we project guilt onto others and attack them.

*the authority problem. This is "the root of all **evil**." Every symptom the ego makes involves a contradiction in terms, because the mind is split between the ego and the Holy Spirit*

Evil is a metaphor of a psychological condition that resides within the mind and carefully crafted institutions that perpetuate and maintain that psychological condition, creating a false authority through deception and orchestrated mis-direction.

*It is reasonable to ask how the mind could ever have made the ego. In fact, it is the best question you could ask*

Are you asking? Also ask why your mind created your ego. It is a false rebellion against your Divine Source because you believe you will be judged and punished by the Divine, which is false. Didn't an author have an interview or discussion with the Pope and claimed the Pope cancelled Hell. Whoa?

*And every body that you look upon reminds you of yourself; your sinfulness, your **evil** and, above all, your death*

How true is that? HRC?

Well that that hopefully provides some insight into how the mind functions, how to heal it so you can exist in freedom and not fear. Fearless Forgiveness and Radical Honesty.

~>**In God We Trust – It's a Metaphor Stupid**<~

What stirred me up to write this is an attempt to remove “In God We Trust.” Along with other discussions and revelations from “Q”, youtube: CBTS, We the People, TrueLiesQnn, Lionel Nation, David Seaman, Mark Dice, Infowars, Jerome Corsi, Citizens Investigative Report, Praying Medic, etc. The current censoring of Youtube, Google, Twitter of those that have different information not aligned with the Fake News.

We get into useless discussions when everything is taken literally. You will have a much broader understanding if you look at terms that trigger you as a metaphor/principle with a greater expansion of meaning. "In God We Trust" harkens back to the "Declaration of Independence" and the "unalienable rights" provided to us by our Creator for pursuit of life, liberty and the happiness, by the framers of our US Constitution. The word "God" is not used in either the US Constitution or Declaration of Independence. Think of "God" as Divine Source instead and you will expand your understanding of the thinking the framers of the US Constitution. Could the Framers have chosen on purpose not to use the word "God" because they understood the controversy that would be created in the separated ego mind just to create controversy. This is no different than the movement to literally take down statues of those who fought for our freedom from the sadistic British control. Simply make the statues a metaphor/principle of an event leading to a country of freedom that many other peoples of other countries envy and desire for their country to also be free. Have you ever considered that politicians are attracted to government? Why? And "evil" manifests? Breaking away from evil is not easy. It takes an awakening and a change of mind to the "evil" to take action to break away both mentally and literally.

**So everything above this sentence is how you decode the psychopath within.** We all have a bit of a psychopath within the mind and it can be conquered. Note I said "bit of a psychopath." A full psychopath will see no need to do any of the above because their brains are markedly different as revealed in brain scans.

#### ~> **Decoding Psychopathic Systems** <~

Taking away the statues is no different than Book Burning – taking away the freedom of speech from those of our history. Those who rose up in our historical turmoil of freedom from the British control and are memorialized in statues fought a different fight than we are now fighting. There is also an underlying foundation of the same evil manifesting today. We just need the tools to recognize that evil. That is why I have created this principled dissertation. To help you recognize how you have been conscripted in to an army of evil without understanding or knowing the methodology of recruitment.

Wow! Wow! Wow! I am so fractured after listening:

<http://www.divinedominoes.com/psychopathic/1078/Horrific-Diabolical-Evil-Sinister-Shocking>

Testimony is 1.5 hr. I had to stop at 1 hr because I could not comprehend such horror would be complied with. In a Religion no less! What? So I had to take a few days off from continuing this dissertation to get my fractured self back together. The testimony of a Carmelite nun and the torture purportrated on the other naive nuns resisting horrific abuse. I had no idea such horror existed in this Catholic Sect. It is nauseating and part of the evil that is hidden behind the curtain of false piety. What these nuns suffered is an expose' on a fully integrated Psychopathic System. It is so very very sad that a human being can express in such a devoid of consciousness.

I must say that is rather amazing that information somehow just shows up for me that supports the thesis I am presenting here. It is shocking how what I listened to fits so nicely to help me make my point so that it will be undeniable that this horror is alive well and functioning and has been so for thousands of years. Think you know what I am talking about? Well keep reading.

## ~>Psychopathic Systems and the Push Back on Psychopathic Systems<~

Scientology as exposed by Leah Remini on A&E's *Scientology: The Aftermath*. All secret cults. Right now A&E has a series now "Cults and Extreme Beliefs". I am shocked at how many include sexual abuse of children. Any religion that demands the death of others. Your first principle must be "cause no harm." That should be your self-assessment guide to check your activities, i.e, systems in which you participate. Most participate in Psychopathic Systems unknowingly.

The USA Constitution and Declaration of Independence were a push back against a Psychopathic Ruling System in Britain/Europe. (There is a millennia of recorded history on the topic.)

For ease of understanding we will extract some of the dialogue from the Declaration of Independence. Source: <http://americainclass.org/sources/makingrevolution/rebellion/text8/decindep.pdf>

"The **unanimous** Declaration" - Note the Framers are making a declaration that is all inclusive by using the term "unanimous."

Unanimous - Source: <http://www.dictionary.com/browse/unanimous?s=t>  
"of one mind; in complete agreement"

So what were they in complete agreement about? Why did they think it was necessary to make a declaration of unanimity?

Here is the answer:

"When in the Course of human events, it becomes necessary for one people to dissolve the political bands"

Note: the reference to "one people" refers back to the unanimity of complete agreement. So in order to dissolve the political bonds it was necessary to put the unanimous declaration in writing, because the political bonds placed on the inhabitants of the Colonists was in writing in Britain.

Why is it necessary to declare that those political bonds are necessary to dissolve?

Here is the answer:

"mankind requires that they should declare the causes which impel them to the separation."

These people of one mind in agreement are forced to declare and put in writing the reasons to dissolve the political bonds of Britain/Europe and High Contracting Parties (meaning the bosses of Religion. The Treaty of Verona follows and will explain.) Note: political bonds is a distinction that a system created by man is the issue. Political bonds are not a Divine precept. The Framers are making a distinction that is a man created system that made the political bonds and not the Creator. What did they understand about the idea/concept of a Creator and did not reference to a God?

Here is the answer:

"all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

The Framers were in unanimous agreement about the range of the Creator, i.e., all men are created equal in that they have the right to Life, Liberty and the pursuit of Happiness. **Humankind is equal in their ability to "do"**. No one in Humankind has the right to create chaos, mayhem, murder, discord, repression, suppression, lie, manipulate, etc, cause harm to any other human who is pursuing their right to Life, Liberty and their pursuit of Happiness.

Unalienable - Source: <http://www.dictionary.com/browse/unalienable?s=t>

“not transferable to another or not capable of being taken away or denied”

In the British Empire rights were granted by the King, Baron, Duke, etc. therefore they could also be taken away **denied** by the King, Baron, Duke, etc. So the Framers made the distinction and a declaration that human rights do not come from another human and cannot be denied by another human. They come from the Creator and they are “unalienable.” That means those rights are immutable, and cannot be dismissed/denied by any other human no matter their rank on the Earth. The Framers built a “wall” in written principle.

Wow! Here the Framers were declaring and making a separation between granted rights by an Earthly Ruler and non-deniable Rights from the Creator, an non-earthly inhabitant!? So the Framers were attempting to create a spiritual land with spiritual guidelines. I never got that insight till I started writing this right here, right now. Hmmm. Sort of knocked of my chair on that one because now I am thinking had we been allowed to pursue that path of spiritual guidelines with respect for all life...Why could the British Empire not allow that to happen? What caused the vicious endeavors with wars to prevent that spiritual pursuit? Who would we be today if that pursuit been allowed to flourish? What would the whole world be today if that spiritual pursuit flourished? Something vicious and diabolical this way came! Why? Keep reading...

Since the people of the new land needed management and protection to maintain those unalienable rights, a government needed to be created. The Framers also recognized that events could arise to subvert those protections, because there is an inheirant place in the mind to subvert the Creator. Why? Because the Creator has no need for power or control, thus no need to subvert others to the Creators subjugation. It is only the darkness of the human mind that needs power and control. Now isn't it interesting that the British Empire rulers were supported by the Pope (Treaty of Verona). So why did some of the British Empire rulers believe they could behave badly toward the non-ruling class when supported by the Pope? I know, I know, your mind is getting twisted in a Crossfire Hurricane Firestorm.

The Framers understanding the potential of subversion they set forth a provision:

“whenever any Form of Government becomes destructive of these ends. It is the Right of the People to alter or to abolish it, and to institute new Government, ... shall seem most likely to effect their Safety and Happiness.”

destructive of these ends – Note: the **ends** are the **unalienable rights** to which the people have a right to maintain, is set in the Declaration of Independence are given the right to make those subversive notions and events to be abolished. That provision is necessary because of the propensity of those in the government to be agents of the British Crown, to attempt to subvert the Constitution which sets up our government. The people are given the right to create a new government that is in alignment with the spiritual pursuit. Why is there continuing and ongoing efforts to subvert our USA Constitution today? Keep reading...

“all experience hath shewn, that mankind are more disposed to suffer,... than to right themselves by abolishing the forms to which they are accustomed...when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government.”

Humankind will continue to suffer because some suffering is durable. When the suffering is constant you are distracted from your spiritual pursuit because you can only concentrate on survival. That is the plan of the dark mind - to keep you from your spiritual pursuit with chronic trauma, i.e., **abuses and usurpations** (obviously this has never stopped and unfortunately continues to this day.) Why? The Framers created the clarion call here to rise up and undo, end, stop the corrupt suppressive government

that would take away your unalienable rights endowed by the Creator, which is above any landbased ruler. Even back in the Bible of 2 millennia ago, there is the notification that what is warred against, is Principalities and Powers inhibiting the spiritual pursuit:

### Eph.6

1. [12] For we wrestle not against flesh and blood, but against principalities, against **powers**, against the rulers of the darkness of this world, against spiritual wickedness in high places.

If it was recognized 2 millenia ago, could it have been recognized earlier? Keep reading.

“The history of the present King of Great Britain is a history of repeated injuries and usurpations, an absolute Tyranny over these States. ”

Tyranny - <http://www.dictionary.com/browse/tyranny?s=t>  
“unrestrained exercise of power

### ~>**Unrestrained Exercise of Power**<~

Who has need of unrestrained power? Why? What comes to mind here is the TV series: Scientology: The Aftermath” with Leah Remini. She bravely exposed the stalking that takes place with private citizens who leave Scientology, with filming without permission, going through garbage, claim they are suppressive persons, and Scientology denies that whatever anyone says to expose the abuse and corruption is a lie. Who in their right mind would want to go back when they are treated like they are slave property?” When in actuality those that left Scientology saw through the lie. They decided they no longer wanted to “live between the lies.” This is actually a form of civil war, because those that leave no longer want to comply because they see through the lies and can no longer live between those lies. The King of Great Britain actually created a literal war and paid for German soldiers to go to the USA and do the Kings dirty work, simply because the Colonists wanted to print their own form of money among other systems that provided function in the new world. Why would anyone think that pursuit either by civil or literal war would inspire anyone into **happy compliance**? It boggles the mind.

Ooohhh! Just had a very interesting chat with myself. What if other peoples and other countries read our Declaration of Independence and adopted it for their country? Is that what all of this push back is worldwide is about? Is that why there are continuing wars, school shootings, protests to shut down opposing thought and paid for by sources outside of the USA, push back on Brexit, and more? **The push back is intended to hinder one’s spiritual pursuit.** Keep the masses distracted by trauma/drama, thus hindering one’s spiritual pursuit. What a magnanimous Earth we would have if all were allowed to pursue their own spiritual path. Note: A true spiritual path first guiding principle must be: Do No Harm. If we are a spiritual being having a human experience, why would we not choose to be the best we can be in this human experience?

Back to the Believe series on OWN – It did not matter the belief – what matters is what you do. A chef, rock climber, librarian, pilot, any pursuit whether a vocation or hobby is a spiritual endeavor. How much effort does it take to Do No Harm? Self-awareness, self-assessment, self-improvement, i.e, challenging your intent and motives for everything you do to make sure no harm is intended or created by what you do. Simple. Yet hard to discipline the mind to the radical honesty process.

Now back to the Declaration of Independence to go to one last point which truly horrific...

Here is the most heinous crime of the British Crown:

“He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.”

Imagine the horror of being conscripted to murder those who are taking a stand against the British psychopathic tyranny or to kill yourself if you refuse to murder your fellow patriots. That is the center point of this dissertation. I had no idea that heinous crime would express so well the issue we are in principle and literally facing today. Most are not aware of who or where the psychopaths manifest. Psychopaths are masters at mis-direction, manipulation, deception, seduction of the mind to set you up for extreme betrayal to their glee. Note: Supportive material by professional researchers is available at [www.divinedominoes.com](http://www.divinedominoes.com) and links will be provided at the end of this work.

Here is the last paragraph of the Declaration of Independence:

“We, therefore, *the representatives of the* united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.”

Note: In the quote above there are 2 references to another way to say Creator, 1) Supreme Judge of the world, 2) divine Providence. They are going above the British King and the Church officials that crowned him.

We have been watching the TV series “Riverdale.” It is a take off on the comic “Archie” with a very darkside. The finale had a quote in there and I notice such things because I see psychopaths – that statement went something like this: “you can have a darkside and not be evil.” Yes! Yes! Yes, because you have the ability to check your darkness at the door and not act on it. Not **do** anything! When you act on **do** is when you step into the “evil” of things.

~>**Letters shed new light on British despair during the American War of Independence**<~

Source: <https://www.telegraph.co.uk/news/worldnews/northamerica/usa/7271468/Letters-shed-new-light-on-British-despair-during-the-American-War-of-Independence.html>

There is a new found cache of letters from British Generals being sold at auction, excerpt below... “predicts even at this early stage that the Crown would only be able to subdue the rebellion with the help of German or Russian allies... [because] Such a pittance of troops as Great Britain and Ireland can supply will only serve to protract the war, to incur fruitless expense and insure disappointment... The collection reveals attitudes from George III and his political aides in London that bordered on plain delusional as they failed to grasp the realities 3,500 miles away... Sir Henry writes that the American revolutionaries are much more “obstinate” than realised by the “short-sighted folks in England””

Apparently there was not enough support in Britain to support the American Revolution, because they had to rely on support from Ireland, France and Spain.

Isn't it interesting that there was enough push back from the Americans, which eventually brought so much debt to Britain that Britain had to end the war. I call that determination to succeed. Now think about all the unnecessary suffering in America, Britain, France and Spain. That's what psychopaths **do**. Cause and create unnecessary suffering. Psychopaths also recruit minions to carry out their nefarious agenda. How many of those foreign nationals knew or understood they were supporting a psychopathic system. Psychopaths succeed by creating psychopathic systems. Today very few understand that

psychopathic systems are in place that create all of the mayhem and wars that permeate our Earth. In fact that is the challenge that educated professionals on the topic of psychopaths know that us non-psychopathic humans do not even have a clue about. This is why I am writing this dissertation. To help bring an understanding of how the psychopaths and their systems ruin peace on this Earth at great cost to the pursuit of Life, Liberty and Happiness.

Where we go next will infuriate some as it will bust their bubble. My hope is that many of you will be appreciative of finally having an explanation that helps you to understand what is “wrong with this world.” Once you have the tool of being able to recognize where they hang out and hide – you will have an experience of expanded freedom.

“placing agents undercover relied on three basic activities: creating a plausible alias identity or “legend” for an undercover officer; that officer’s ability to convince anyone who cared that he was the person he said he was; and having the documents to buttress that legend.” Three Americans were imprisoned for 949 days in Cuba, caught in the midst of a bugging operation. The three clung to their story that they were just tourists supported by their documents. The Cubans were not able to discover the truth that these three were “legends.”

One CIA agent had over 15,00 aliases.

Have you seen the movie “Argo”? It is about the CIA legends.

There was a TNT 2 season series “Legend” with Sean Bean and Ashley Judd starting in 2014. We watched it and it was fascinating. We learned about 1 year ago that Legends are actually true. We are about to reveal the most unlikely Legend you never knew was and is a Legend and when we figure this out so much made sense that previously did not make sense do to the controversy of the difficulty of verification. Are you aware that movies and tv shows actually tell you what is secretly taking place.

~>**Put Your Sunglasses On!**<~

Here we go: Better put on your sunglasses...

Before we go to the sunglasses part there are a couple of things that need to be revealed.

This expresses exactly my thoughts and I was astounded someone else wrote what I was thinking for several years now

Source: <http://www.systemsthinker.com/interests/mind/psychopathy.shtml>  
Go read this article right now. It is excellent.

“...the ignorant and gullible, who trust too easily and indiscriminately, [are] easy prey. That is why we have repeatedly emphasized the importance of remaining alert for potential signs of psychopathic influence... some psychopaths may consciously encourage this crisis of confidence as a form of sabotage

by purposely disseminating confusing disinformation or leveling false accusations” (perhaps, most ironically, by accusing innocent others, or even their own victims, of actually being the psychopaths, while casting themselves as the real victims).

Isn't it interesting that Professional Robert Hare is mystified as to how to identify psychopaths. Now that you understand the mandate by the professionals that there needs to be a process by which the psychopath can be identified in everyday life – that is my mission. Apparently Robert Hare might be too close to be able to accomplish that task. I have found that in about 5 minutes I can help people understand where the psychopath is and how they do what they do. This has been about a 3 year project of study and observation. My study of this topic has helped me to understand past events that nearly destroyed me. Somehow I hung on and was able to move through the trauma. The Event began 33 years ago and there were subsequent events in those 33 years that challenged me also. So I have had a past that is rich with information that has helped me to figure out what began millennia ago and why it is still occurring today. If not recognized and dealt with, as the professionals fear - could be our ultimate destruction as the human race. We have the knowledge and power to change the course of human events to prevent that destruction. That is why I am presenting this information. What is ahead in the following section will be very difficult for many to accept. I will be providing small extracts only from found articles. I will expand on The Event in Part 2.

Permission granted to use excerpts from the article link above. You should still go to the link and read the full article. Time for those sunglasses

The article is an excellent expression of a researcher's journey to understand the psychopath phenomena. I completely missed the who. After reading this article - I realized how clever they are. Yes are. They are still functioning in the public arena. Bet you will be shocked I was. You must read this article before continuing with this expose'. Remember the information included here is to provide you the skills to identify them and their systems and remove their influence from your life. You simply walk away. There is nothing you can do to make things better as they will not allow it. You mean noting to them because they can find another victim.

“Psychopaths dominate the halls of power in both the United States and throughout the world.”

*“The current economic, political, military and legal system breeds psychopaths, rewarding psychopathic behavior ...[which] requires and reinforces those who can comfortably operate without conscience, guilt or any genuine level of empathy toward others.”*

“Psychopaths are in love with power and risk taking, masters of manipulation, self-serving opportunism and self-aggrandizement, and hold doctorates in deceit and deception. Psychopaths are super intelligent charmers who are highly skilled at playing others in order to get what they want. They are keenly perceptive at reading people, understanding their motives and values, brilliant at learning their weaknesses and blind spots, and highly effective at inducing both sympathy and guilt in others. ”

“Instinctively knowing what others want to hear, psychopaths are gifted at winning over others, making them feel special and wanted. They are adept at making positive and lasting first impressions and initially demonstrating that they appear to be caring and considerate, but only on the most superficial, disingenuous level. Their innately keen intelligence, social charisma and charm, extroverted energies, over-the-top confidence are all weapons they utilize in their powerful arsenal to win over, defeat and control others, especially to win over those imbued with power and position that they yearn for themselves. ”

“Psychopaths have an uncanny ability to pick brains, soliciting information, knowledge, creative ideas and even secrets from others, yet opportunistically utilize them to their own advantage as living proof that information is power, parading them as their own ideas and knowledge, and craftily taking and receiving undeserving credit and accolades from bosses and those in power. They are gifted actors, able to take on chameleon-like colors according to their particular social setting and company. Though they lack a capacity to feel emotions with any depth or intensity, as actors and manipulators they are able to manufacture crocodile tears for effect whenever it suits and benefits them. ”

“The part of the brain that regulates emotions, the amygdala, is less active in psychopaths...The only genuine emotion psychopaths express is anger whenever their manipulations are thwarted or rebuffed...But most often their emotional tirades are to manipulate, gain power and control over others.”

“Their gamey nature lusts for the competition of battle, an insatiable desire to win at all costs...launch aggressive attacks and predatorily move in for their strategic kill. They are perennial predators bloodthirstily lusting for more power.”

“Psychopaths are masters of impression management and the art of ingratiation, crucial skills fully utilized in impressing those in positions of power while ruthlessly navigating up the treacherous and slippery if not slimy ladder to success...perhaps their signature trademark is their penchant for spewing out never ending pathological lies ... psychopaths flourish in cultures ...esp”cially thrive in Western cultures based on competition and exploitation of fellow man and nature. ”

“As soon as psychopaths believe others have served their purpose, they are deemed no longer of any real value and quickly disposed of, discarded and/or betrayed. Loyalty is a foreign and abstract construct to psychopaths. ”

“know how to lie their way out of trouble...they can readily rattle off an explanatory excuse using double talk for virtually anything....end up utilizing their innate skills as lawyers who in turn end up as politicians. In fact most of the politicians in the US Senate are attorneys. Just as effective as they are at absolving themselves of any and all responsibility and culpability of being completely blameless, they are equally skilled at pointing the finger at others and throwing them under the bus. In order to get elected and stay elected, psychopathic politicians must be extremely convincing in their powers of persuasion. And of course using their cunning charm and capacity to fabricate seamlessly at will, their power to manipulate and persuade is among their chief assets. They are experts in bullshitting and playing the fake pretense game.”

“Another strength is their capacity to keep their cool under fire...they fare well in the fast paced world of politics, the military and finances. ”

“A [study](#) out of Great Britain last year using a psychopathic survey to assess the presence of psychopathic traits within the national workforce showed that CEO's, politicians, media honchos, lawyers, surgeons, military generals, police officers and the clergy all scored highest. Generally any line of work characterized by a hierarchical infrastructure that places those in positions of power ruling over others with relative impunity proves to be the most fertile ground attracting those with a psychopathic personality. ”

“Without any conscience, remorse, guilt or even second thought, they wield increasingly absolute power and control over the earth's dominions, causing unconscionable amounts of suffering and pain to billions of fellow human beings in this world. ”

“[Robert Hare](#), the leading expert on psychopathy as a mental disorder who devised a psychopathic checklist, observed that psychopaths representing just one percent of the general population possess an especially heightened need for both power and prestige, seemingly prerequisite essentials for every aspiring politician...positive impressions with first encounters and fearlessness. Substitute the word politician for the word psychopath and you will find the two interchangeable and synonymous because they pretty much actually are one and the same. ”

“as a disclaimer it is important to mention that psychopathic traits and tendencies are on a continuum, and a specific politician or general may possess certain traits and tendencies but may not exhibit severe or enough symptoms to qualify with an official diagnosis of psychopathic personality disorder, antisocial personality disorder or psychopathy. “

“...most often their emotional tirades are to manipulate, gain power and control over others.”

[A] “ Harvard clinical psychologist and author of *The Sociopath Next Door* [Dr. Martha Stout](#) (who uses sociopath and psychopath interchangeably) was asked if politicians are more likely to be psychopaths, she had a very interesting reply...”

“Yes, politicians are more likely than people in the general population to be sociopaths. I think you would find no expert in the field of sociopathy/ psychopathy/antisocial personality disorder who would dispute this... That a small minority of human beings literally have no conscience was and is a bitter pill for our society to swallow – but it does explain a great many things, shamelessly deceitful political behavior being one.”

“President Barrack Obama and the most famous living US general ex-CIA Director David Patraeus – both illustrate as psychopathic poster boys what has gone most wrong in America.”

“Barrack Hussein Obama is a Machiavellian pathological liar of the first order...(elected figurehead front man to the true power of the oligarchy that owns him)...is the stuff of urban psychopathic legends...captured the hopeful, yearning hearts of so many Americans who were so exhausted and demoralized by the psychopaths Bush and Cheney and their brutal evil psychopathic agenda “

“Of course Obama is but one man in a morally bankrupted, highly dysfunctional political system with two corrosive and corrupt parties representing the same oligarch interests whose political agenda was and remains simply to play partisan politics and cancel each other out as the most lame and ineffective Congressional body in US history. So our fantasy of wonder boy riding his white horse into the White House on America’s hopes and dreams realistically was but a set-up for failure from the get-go (from the populists’ point of view, obviously not from the oligarchs’ POV who were carefully grooming him years prior to his meteoric rise). ”

“His lust for power even as the thoroughly compromised, sold out, half black front man to his puppet slave masters was certainly unquenchable from the start ”

“Obama was the great black hope and champion of the little people. So his betrayal of our trust was taken personally. We believed his promise that he would be different in his vow to maintain ultra-transparency and the commitment of always being open and honest with the American people who elected him. This was his biggest, far-from-white lie. As the most secretive, aggressively reactionary, pathological lying president in US history, it is his most sinister and unforgivably darkest sin of them all. He has [blocked more requests](#) filed under the Freedom of Information Act than any prior president in history. He has also declared [war on the truth](#) in general and on honest journalists and whistleblowers in particular, harassing, indicting and imprisoning more of them on espionage act charges than all previous administrations combined. ”

“Obama swore to uphold the US Constitution...Obama has not only run with the fascist torch handed off to him by his predecessors, but he has rammed tyranny and oppression down America’s throat, “

“Psychopathic Cool under pressure Obama again has only accelerated the megalomaniacal war policies of his predecessor. ”

“And Obama has only continued the psychopathic policy of using onetime allies (like Osama bin Laden, Saddam Hussein, Muammar Kaddafi, Hosni Mubarak and Vladimir Putin just to name a few) and then turning on them one by one whenever they have been used up. Instead of bringing war to an end as promised, Obama has chosen to expand Special Operations with unlimited deep taxpayer funded pockets fighting dirty little secret wars around the world in at least 134 nations ”

“The [Benghazi](#) tragedy where he and his partners-in-crime, then Secretary of State Hillary Clinton and his then CIA Director General Petraeus...lies to suppress the truth have manifested as [death threats](#) to any of the CIA-Special Ops personnel who were witnesses ”

“Then came the IRS scandal targeting anti-Obama conservative right wing groups...Justice Department’s cover-up of the debacle where the Bureau of Alcohol, Tobacco, Firearms and Explosives was caught purposely selling guns to the Mexican drug cartel that were soon used in the murder of a US Drug Enforcement Administration officer and US Border agents. ”

“[Veterans Administration hospitals](#) across the country have apparently been cooking the books to cover-up unlawful lag times to treating US veterans and hordes of them dying while waiting to receive care. ”

“The problem goes far beyond either President Obama or VA director General Shinsek...the evil psychopathic system that groomed and produced him that is the underlying root cause. And just as drugs are bandaids, blaming a psychopath president overlooks the underlying systemic cause. Until the power structure of the global oligarchy changes, the monumental, unprecedented theft, death and destruction of our only planet will merely continue until its tragic bitter end. ”

“There are simply too many CEO’s in the psychopathic corporate world ..psychopathic birds of a feather flock together as Obama has ensured that not even one white collar Wall Street-bankster criminal has gone to prison over the scandalous home loan mortgage-housing bubble burst fiasco of 2009...then forced by Obama et al to bail out the largest US corporations and banks ...the CEO’s were touting huge multimillion dollar yearend bonuses off the sacrificial backs of the struggling, disappearing middle class. Those Obama-nation bail outs were as obscene and sinister as any coldhearted psychopathic behavior can get for so many hurting Americans struggling to keep a roof over their heads and food on the table for their families. “

“One recent [study](#) found that 10% of Wall Street traders in the financial services industry are financial psychopaths that can present as “a perfect well-rounded job candidate, CEO, manager, co-worker, and team member because their destructive characteristics are practically invisible...Like all psychopaths, corporate psychopaths lack empathy and interest in what others think or feel. They exhibit loads of charisma and charm as well as intelligence and credentials, a remarkable capacity for lying, fabrication, cutthroat manipulation, and a compulsive drive for thrill seeking, taking high risks and gambling. ”

“As a West Point graduate and former Army officer, I encountered a sizeable percentage of military psychopaths posing as officers as well. Common characteristics shared with their political and corporate counterparts are a “win at all cost” drive, an unquenchable thirst for power and control over others, a constant concern for appearance and looking good in front of superiors, and a nauseating display of ass kissing ingratiation to gain favors from higher ranking superior officers. ”

“[cover your ass] CYA is the standard norm in both higher echelons of power on down. ”

“The brutal savagery of war atrocities and crimes against humanity are simply the way war has always been waged. The risk taking, the thrill and adrenalin rush of combat, the exhilaration that comes with ultimate and absolute life and death power and control over millions of other human beings all in the name of national security and Empire breeds psychopaths to long lasting careers of warmongering and perpetual war on terror. Only the terrorists on this grandest scale are not the Islamic extremists but the US psychopaths that continue leading us to war in a destabilizing agenda for nonstop regime changes around the world by any means necessary, and that invariably means war after war after more war in a never ending curse against all of humanity...old familiar propaganda blitz demonizing other nations and people ...is their psychopathic swan song ultimately bent on bringing us all to destruction. ”

“Psychopaths are known for using others for self-gain”

“imperialistic ethnocentric disregard for the suffering and damage afflicted on the native inhabitants of US occupied nations. He has no understanding or compassion for what his brand of counterinsurgency warfare has on the people whose “hearts and minds” he claims to wanted to win over. ”

“psychopaths go to unlimited lengths to lie and avoid blame in order to save their own powerful careers ”

“Rather than hold psychopaths accountable for gross incompetence and failure, in a psychopathic system one psychopath Obama will only promote another psychopath Petraeus to CIA director ”

“Taking thrill seeking risks while surrounded by sycophantic enablers over many decades produced a grandiose sense of inflated omnipotence, entitlement and impunity ”

“psychopathic killing machine...system produces leadership so rampant with psychopaths”

“Any individuals within this morally decayed and broken system who are honest and possess a conscience, empathy and compassion for fellow human beings is steeped in inner conflict and have to suffer daily from cognitive dissonance. And as such, they cannot relish playing their part in this sinister game. They will either eventually opt out or be screened out by those less principled insiders that are part of the psychopathic club. Throughout my time in the military I struggled for the exact same reason. ”

“Psychopaths at the very top of this power pyramid will only allow like minded psychopaths into their inner club sanctum. This moral betrayal by those wielding the most power and control on earth must be stopped. Since they are too sick in their deviant pathology to ever change their evil ways on their own, it is left up to us who are guided by a common moral compass to courageously step up and hold these psychopaths accountable for their crimes against humanity. This can only be achieved with the distinct advantage that as just 1% of the total population, the psychopaths and oligarchs are overwhelmingly outnumbered by those of us 99% who are committed to doing what is right in making a positive difference on this earth plane before all is lost. ”

After reading that full article I'll bet your mind again in that Crossfire Hurricane state? You might be shocked. Truly I was surprised that I missed this, even though I have a pretty good grasp of psychopaths and psychopathic systems. Yes I missed this. Once I understood the Legend part it all fell into place after I read this author's article. So take a break and gather yourself back together and continue on this journey with me. Yes there is more to learn. I intend to build a case so that you will be well armed to recognize psychopaths and their systems. I know, I know it can be overwhelming. As I explored this topic I had to take breaks now and then so that I could integrate the information.

Well folks, I was thinking that this would only need 20 pages. Now I am up to 49 pages. Oh well. This is Part 1. I am currently writing Part 2. I believe with the feedback I have received on Part 1 it is enough to help most to wake up.

There is an effort to change our history. It is a waste of energy. All of these things are just distractions from the undercurrent of the psychopathic mis-direction, to keep us distracted with ourselves, like children. Why are you choosing to create tantrums like a child? You are being programmed to react childlike by the psychopathic agenda. Yes the psychopathic agenda is working. Do you not realize there is an effort to create civil war in the USA by creating false race issues? The programming is working and people are losing their lives over the psychopathic agenda. My hope is that you wake up to the programming and come back to yourself and step into your adulthood – where you are aware of the psychopathic agenda programming and throw it off. There is no good end when it comes to psychopaths as expressed by the professionals who research this topic.

Let's take on “In God we Trust.” You are getting into a locked onesided discussion because you are locked into seeing that as only **literal**. In God we Trust is also a **metaphor** and a **principle**. Your challenge is to figure out if in your discussion of that phrase, if it is being used literally, as a metaphor or a principle.

~>**In God We Trust – Part 2**<~

Let's take a look at **In God we Trust** as a principle. referring back to unalienable rights given by the Creator referencing the Declaration of Independence is a principle. Now neither the US Constitution nor the Declaration of Independence or the Bill of rights has the word "God" in the text. There is a reason for that. The text that is used referencing a Divine principle is: "the Creator," "supreme Judge of the World" and "protection of Divine Providence". So why would the Founding Fathers choose not to use the word "God"? Lets take the journey of looking at In God we Trust as a literal statement. First you must realize that the Founding Fathers and the colonists believed that in breaking away from the Psychopathic King, whom they considered "evil" because of what he "did". Remember it is what you "do" that matters, i.e., how you manifest yourself to others.

OMG! I just clicked on a youtube video that is talking exactly about what I am writing in this expose' at this very minute about how psychopathy manifests in the world and how it has manifested in the past. Finally.

Link:

<http://www.divinedominoes.com/enlightenment/1079/Brilliant-expose-of-how-the-Psychopaths-operate>

O.K. now back to the In God we Trust discussion. Consider that there was a movement in Britain where it was believed that the King was evil and the only option was to leave the country. There were of course other countries much closer they could have chosen to move to. I assume that there likely was a move to other countries by some. Those that chose to create a new country were incredibly brave to travel 3500 miles across the ocean. Due to what is written in the Constitution and the Declaration and Bill of Rights it becomes clear to me that there was a belief that it was up to them to "do" something different because of the history of the British Empire Rulers was quite consistent. There were variations among the Rulers, however there seemed to always be an overtone of always going back to the psychopathic evil deeds perpetrated on the British subjects. So perhaps the foundation of leaving to create a new country at great risk to their own lives – how could you not believe at the time that was not inspired by some Divine inspiration. Leaving and exposing evil is not an easy journey for anyone. The challenge is to expose it without a religious bias.

My perspective is that In God we Trust, hearkens back to those brave souls who chose to create a new country believing they were Divinely inspired, to create a new country based on freedom from psychopathic control of the British Rulers. Obviously they had had enough, due to past events knew that nothing would change and their only way out of that psychopathic prison was to escape by any means necessary. Where can school age children go to learn about the true under current of the psychopath and their systems? The evil that has taken place in the history of our planet now begins to make sense. How different would we humans be if the psychopath and psychopathic systems were understood?

Build the Wall. A Metaphorical a wall was built against the psychopathic agenda in the written text of the Constitution, Declaration and Bill of Rights. We all have the same unalienable rights no matter your station of birth as noted by the Framers of our afore mentioned documents.

~>**Vampire = Psychopath**<~

Vampire. Well now is the time to bring out the metaphor of the Vampire. Before we had the term psychopath we had the story of the Vampire written by Bram Stoker. If you look at the attributes of the Vampire metaphorically it is clear that Bram was using the Vampire story to write about the "doings" of the psychopath.

Vampiric attributes:

Source: <http://www.tvguide.com/galleries/15-things-vampire-diaries-1087448/3/>

“Kill without remorse” [or allow death without intervention]  
“Experts at using others” [to carry out their nefarious agenda]  
“They know how to wear a mask” [of sanity]  
“They show you what you want to see” [hiding their true intent]  
“They Glorify themselves”  
“Can shrug pretty much anything off” [because they have no compassion or conscience]  
“They never take blame” [for their own actions]  
“They don’t understand emotions” [because they lack the empathic part in the brain]  
“They have no empathy”  
“They won’t suffer independent thinkers” [because only their agenda matters]  
“They’re excellent actors when it suits them” [actually they are always acting, never revealing their true self with mis-direction]  
“It’s all about control” [at all times]  
“...Value you only as much as they can use you”  
“They have a flair for the dramatic”

I am adding some here:

[They pretend to be your best friend until they take your life]  
[They have a gaze that can wipe your memory or mind control you to carry out their agenda]  
[No ability to see their reflection in a mirror – no ability to self-reflect]  
[Non-Vampires cannot see the Vampires reflection – Masters at mis-direction and hiding behind their minions]

Now you see that the attributes of a Vampire are a definition of the psychopath. The psychopath is brilliant at everything. We must move beyond thinking that psychopaths are only serial killers and pedophiles. In our global society they are much harder to identify because they have permeated their systems throughout the Earth. *We must create a new country of the mind* to be able to recognize who they are, and what they do. You must escape them and survive to claim back your life.

I began watching everything I could about Vampires from tv shows and movies about 10 years ago. I wondered why I was so fascinated with this genre. Now I know. To be able to show that the Vampire metaphor created by Bram Stoker was because the term psychopath was not a permeable concept that a human could be so heinous.

Psychopathology

Source: <https://en.wikipedia.org/wiki/Psychopathology>

“The scientific discipline of psychopathology was founded by Karl Jaspers in 1913.”

Bram Stoker wrote Dracula in 1897 before the discipline of psychopathology was formally studied. Ding! Ding! Ding!

There is a phenomena that occurs where ideas drop into the minds of people simultaneously. Look at Science Fiction. Concepts are developed then become reality from inventors who are inspired by science fiction. Marconi and Edison brought about the radio nearly simultaneously. It was actually Tesla. The point is that ideas can be dropped into the minds of different people by some phenomena at the same/similar point of time. 26 years before the study of psychopathology occurred, Bram Stoker wrote about a Vampire, which is a metaphor for the psychopath. So like science fiction a metaphorical myth was created by Mr. Stoker and then the scientific study of the the psychopath began after the planting of the vampiric idea. Jaspers was first a philosopher, though not formally trained, studied psychiatry from Kant, Freud, Nietzsche and Kierkegaard, possibly others. What he realized is that a common definition of terms was needed. He attempted to create the commonolgy of terms in his book “Psychopathology.” For

some reason he was inspired to study empathy and limited his work to that narrow endeavor. Well now isn't it interesting that psychopaths lack empathy. We can say that Stoker was inspired to start a metaphor of the psychopath via the vampire. Jaspers was inspired to study empathy, which the psychopath lacks. Co-incidence? I do not think so.

~<**How an indigenous tribe dealt with the psychopath**>~

Source: <http://www.systemsthinker.com/interests/mind/psychopathy.shtml>

"Living at the mercy of, yet dependent upon, a sometimes perilous wild environment, in which few, if any, individuals could survive alone, the maintenance of cooperation and mutual support within a band or tribe was a life or death matter for all of its members. Thus, not only was the incentive to detect and neutralize the destructive influence of deceitful, selfish individuals extremely high, but, living in such small groups and in such close quarters, it was, at least in many cases, relatively difficult for these individuals to hide that toxic social influence for long."

Dr. Jane Murphy director of Harvard Psychiatric Edpideiology Unit reveals that tribe survival was critical to the millennia old culture - the Inuit of Alaska – have inculcated awareness of the psychopathic behavior, have a word for that behavior "kunlangeta" meaning "[the] mind knows what to do but does not do it," such as cheating, lying, stealing, parasighting off the tribe. So as to preserve the integrity of the tribe, the Kunlangeta person would be summarily be "pushed off the ice when no one else was looking."

With the advent of large societal group it is now much easier for the psychopath to stay hidden, due to the fact that most people are undereducated about the phenomena.

Professionals who study psychopathology agree that 1% of the population is a psychopath and 4% are embeded in corporations, along with medicine and governments.

Those amounts were discovered by Robert Hare, who began his study of psychopaths 50 years ago and continued that study throughout his career. Even after all of his research and study he has concerns that even he cannot identify them....

Source: <http://discovermagazine.com/2016/june/12-psychopath-and-the-hare>

Go to this link learn from Dr. Robert Hare, what he figured out about the psychopath. He had a personal experience that woke him up to the phenomena.

“My view is that psychopaths have the intellectual capacity to know the rules of society and the difference between right and wrong — and they choose which rules to follow or ignore,” says Hare. “They might even consider themselves more rational than other people. A psychopath I met in my research once told me that using his head instead of his heart gave him an advantage. He saw himself as ‘a cat in a world of mice.’”

“.. Hare claims he’s often no better than the next person at identifying a psychopath”,

Well that is what I am attempting to help you grasp. When the professional therapists are clueless at identifying the psychopath and their systems – we need help.

Interestingly the root Latin definition of psychopathy, is “a sickness of the soul”.

~>**Evil=Psychopath**<~

As I have researched this topic – if you substitute psychopath for evil then you have something your mind can grab onto that makes sense as to what is wrong in our World. Once I figured that out, then all of the events that occur on this Earth where humans cause harm, it all makes sense as to what is wrong with our world – this is a big hint folks to solving the dilemma that confronts us daily about the outrageous false claims and lies where people continue a false narrative, by changing just one word. Example: A tv reporter changed the word “mentioned” to “attacked” i.e. an event of lies was exposed and was mentioned in the speech, the reported claimed the speaker “attacked” the event of lies. The reporter as far as I can discern is not a psychopath. This is a great example of how the influence of the psychopathic system has insidiously creeped into the dialogue of reporters world wide. Innocent people who do not really examine what they are about to say and change the narrative to something this is not true have great influence to change peoples minds unawares to believe lies. When you do not self check what you are about to say, because you have no awareness of how easily the mind can be influenced, to check your own bias at the door, and you are a trusted source, you can unawares unduly influence people.

~>**100 Monkeys – NOT!**<~

Example of a common lie that we all participate in unaware. Sunrise and Sunset. There is a phrase in ACIM “words are symbols of symbols twice removed from reality.” Sunrise and Sunset are a symbol of nothing real and does not actually occur. The truth: Earth turns. A meme gets started, others adopt it and it becomes a common term. Once I read that statement about words are symbols of symbols twice removed from reality – I began to examine everything I thought to speak. I have actually changed my languaging so that I speak the truth to the best of my ability. That is not an easy process. It takes disciplining the mind to pay attention to your thought processes. Once mastered it then becomes natural. Another example of lies (a meme) we use is the 100<sup>th</sup> monkey principle. It never happened. There were only 59 monkeys. The younger monkeys learned by observing the older monkeys washing the sweet potato. It did not spread from consciousness it spread by observation. Neither did it jump to other islands inhabited by monkeys.

“The story as told by Watson and Keyes is popular among [New Age](#) authors and [personal growth](#) gurus and has become an [urban legend](#) and part of New Age [mythology](#). Also, has cited that a phenomenon like the hundredth monkey effect would be evidence of [morphic fields](#) bringing about non-local effects in consciousness and learning. As a result, the story has also become a favorite target of the [Committee for](#)

[the Scientific Investigation of Claims of the Paranormal](#), and was used as the title essay in *The Hundredth Monkey and Other Paradigms of the Paranormal*, published by the Committee in 1990.”

Not only should we take care of the words we use to describe events, checking our bias at the door we also need to check if a meme is actually true. I have a friend who had monthly meetings and brought up the 100<sup>th</sup> monkey idea and I spoke up and said it never happened. Because of their belief that “it could be applied to human consciousness” they continued with the story ignoring that I was telling the truth, and they were supporting a false claim to make a point. Frankly it is a dilemma for me in that I agree with the point that it takes a certain amount of conscious awareness in the mind to make significant changes. Yet using a false claim to make that point does disturb me. Perhaps if a disclaimer was stated that the 100<sup>th</sup> monkey was a conjecture not an actual event.

### ~>**Harry Potter vs Voldemort**<~

Harry grew up in an abusive environment till 11 yrs of age. He enters a world that fascinates him. He has no reference point from which to relate because the Aunt and Uncle kept that information from him. The Aunt was jealous of her sister who was accepted to Hogwarts and the Aunt was not because it was determined she had no magic. The Aunt took her resentment out on Harry. Harry was innocent and the Aunt projected her pain onto Harry. That is an attribute of a psychopath. We all have a bit of a psychopath within and because it is only a “bit” it can be conquered.

So Harry enters a dimension where he is completely innocent and unaware of a psychopath who only wants his death. Now this psychopath Voldemort has lived several different lives and also through others. That is a great metaphor how a psychopath will hide behind others whose life and family have been threatened to be ended if the psychopaths agenda is not carried out and supported. Psychopaths will use others and or mesmerize them like the vampiric gaze to carry out the psychopaths agenda.

Now Harry is an innocent child having done nothing to Voldemort. This is what the crux of how I was confused about what has been taking place on our Planet. I saw horror’s occuring, learned of horror’s in our history that created wars, and non of this made sense to me. I could not figure out why we can’t just have peace. Psychopaths thrive on chaos and turmoil that keep us distracted from how they mis-direct and work behind the curtain (wizard of oz metaphor).

Unbeknownst to Harry, he had a whole army of support who knew of Voldemorts agenda. Harrys supportive army chose to help Harry. Ron and Hermione immediately chose to be Harry’s friends and support. The Teachers were working behind the scenes to assist Harry to be ready for when Voldemort decided to take action. I will expand on Harry’s journey in Part 2.

Harry enters this magic dimension he has no knowledge of. He must take the time to learn the skills of a wizard. Presented in the Harry Potter books are stages of learning that needed to be mastered. That is a great metaphor for our journey through our life. None of us gain a skill of wisdom without going through the stages of learning. There will be different stages of learning when it comes to the topic of the psychopath and the psychopathic systems. Some will get it very fast because grasping the metaphor of the attributes of the vampire are a metaphor for how the psychopath manifests in our world.

Taking the time to read this, the supportive material, go to the “enlightenment” and “psycopathic” categories at [www.divinedominoes.com](http://www.divinedominoes.com), view Ted and Tedx talks, etc. will provide you the tools to be able to recognize psychopaths and psychopathic systems, so that you are not ensnared by them.

More from Robert Hare:

Source: <http://discovermagazine.com/2016/june/12-psychopath-and-the-hare>

You need to now go read this article to understand the great work Robert Hare dedicated himself to understand.

[Hare] “has sized up hundreds of criminals, including some of Canada’s most notorious psychopaths. The word itself has become a synonym for a certain type of evil, denoting a specific breed of cunning, bloodthirsty predator who lacks empathy, remorse and impulse control, readily violating social rules and exploiting others to get what he or she wants.”

Hare’s research concludes that 1 in 100 people are psychopaths. So you have likely crossed paths with several in your lifetime or will. Unawares.

Hare also found “that up to 4 percent of corporate staffers are psychopaths” Yikes!

With 1 in 100 or 4% in positions of power in corporatio – that is either a few or few enough to create havoc due to the ignorance of non-psychopath awariness of the 1% and corporate 4%.

In the mid- to late 1800s defined in Greek: *psykhe* and *pathos*, meaning “sick mind” or “suffering soul.” considered a type of moral insanity...displaying “a perfect mask of genuine sanity” Did you get that? Appearing sane normal, making them hard to identify.

~>**Living between the lies=Compromise**<~

[Robert Hare’s encounter with his first psychopath, that he is aware of]  
The prisoner he was in session with revealed he had a handmade knife, claiming he planned to use it on another inmate. Hare chose to keep quite, thus trapping Hare *between the lies*.

[[Living between the lies]]

This is a concept I came up with about 2 weeks ago. Then I read the paragraph above and it confirmed the ensnared trap that the inmate put Robert into, causing Robert to choose to *live between the lies*, i.e. “[the inmate] had ensnared Hare thus leading Hare to “forsake prison rules for clinical rapport.”

I have been obsessed with getting this dissertation written. I think about it automatically when I am not engaged in other events. I am constantly asking myself what can I put in this dissertation to help people grasp how the psychopath and psychopathic systems are moving us to destruction world wide. After all the professionals who study this are in a quandry as to how to help those of us who are not psychopathic to grasp the magnitude of the mesmerizing mind control that is exercised over all of us by the psychopaths. I think they are in a quandry because as one writer puts it “Global Elitists are not Human” (article will be included later) thus causing a dilemma for the therapists to reconcile that a particular strain of a human being, might indeed not be human in their brain.

As I was contemplating what I should put in the dissertation - about 2 weeks ago I remembered the High School experience of the clicks. One click had \$\$, the other click did not. They both did similar things and hung out together. I remember that sometimes they would smoke in the bathroom. Belonging to neither click, I remember warning them that a teacher was coming and they put out their cigarettes and left the bathroom.

Now interesting that this click differentiation was never discussed. You just knew it existed. You kept quiet about the rules they might break. Again this was never discussed. Some how we engaged in the unspoken conspiracy without any discussion about it. Now isn’t that odd? So I asked myself when did we learn to live between the lies? I realized I learned it in High School in the unspoken conspiracy where we just kept quiet about rules that we knew were broken. Why would we do that? Why did Robert Hare an adult and trained therapist do it?

I think that is possibly one of the reasons why we struggle so much here on this Planet. For some reason we accept that we are forced by some code to live between the lies and keep quiet. Why can’t we be

honest and tell the truth? Feeling compromised? You are living between the lies! TV show Smallville – Clark Kent’s whole journey was about living between the lies. He had to keep his talents hidden!

What you are currently observing in the current political dichotomy is the ongoing event of living between the lies. There are those who are pushing to reveal the truth, and those who are pushing to keep the truth hidden. Somehow living between the lies has become comfortable, a way of life, a mind programmed to make up stuff that sounds right, yet is really nothing of substance. Have you noticed that? Journalists used to report issues, events, now they attempt to be opinion influencers. Why? What is so troublesome about truth, that journalists have been conscripted into an army of influencers?

(Voldemort and his minions)

FYI: There are several Voltmorts right now seeking our death to keep the truth hidden. World we have a Problem!!!!

Example: We just watched a movie on Mark Felt who was the deep throat of the Watergate scandal. He was able to keep that secret for 30 years. He finally revealed he was deep throat in 2005. He lived between the lies for 30 years. Why? Why couldn't he tell the truth? He was the leaker of the information to Woodward and Bernstein who revealed what was being kept hidden from the public. Felt kept quiet for fear of being imprisoned. Why would anyone need to be imprisoned for telling the truth? I could understand why he was forced to live between the lies - for fear of imprisonment and destroying this family and reputation. What would this world be like if we could just tell the truth and stop living between the lies. Something to think on.

Now more on Robert Hare:

Hare recognized the inmate's ability to charm and dupe otherwise sensible people. With the inmate's smooth-talking personality type a puzzle that Hare would devote his life's work attempting to solve.

[Hervey Cleckley, wrote "The Mask of Sanity." 1" thick on 8.5x11 paper – huge espose']

Anti-social personality tests were easy for psychopaths to "outsmart." Thus making it very difficult for therapists to identify them.

Hare eventually came up with a test that allowed for a common language among therapists to be used when discussing diagnosis. Interesting that a common language was again needed amongst therapists in the field, similar to what Jaspers recognized was needed.

Hare found - "that the emotional components of language were somehow lost to the psychopath,"... "For them, language is a purely a linguistic intellectual thing without the emotional underpinnings that color everything we do."

~>**Editors of "Science" did not believe psychopaths exist!**<~

In 1991, [Hare +] **we submitted the paper to Science, and it was turned down at first because the editors thought these can't possibly be real people.**"

What follows next is really going to upset some people...

So can you grasp the issue? The editors of Science did not believe the researchers results! In 1991 no less! Bram Stoker understood it in 1897 though not literally, yet metaphorically via the meme of the vampire. Who do you think the Serpent was in the Garden of Eden? There is a statement by Jesus in the Bible that goes something like this - "the poor in spirit you have with you always." That is a great universal metaphor. Just say it like this: "the psychopath you have with you always." If you go back to the principle of "Cause no Harm" and people claim all of these Gods want others killed/murdered for a piece of dirt because the ground is supposed to be Holy! Really! What kind of God needs dirt of the Earth, when a God can create whatever is needed? When you think logically about this issue – it makes no sense that a God

would demand the death of other humans, whom that God created, just for the fun of it! That is no different than the King of Britain conscripting Americans from boats to kill other Americans or commit suicide if they refused to murder their fellow new world brothers and sisters. I know, I know this is hard to accept. It is only the human psychopath that demands the death of others or your suicide. So who was the God of the old testament? Now you have a better understanding of what the man called Jesus was up against. A turnabout in thinking and understanding was needed. Those who refused to change their mind demanded the death of a Teacher who was only attempting to assist the human to a greater understanding to bring about true freedom.

So here we are now over 2000 years later with little understanding of the evil that permeates through seduction and mis-direction and the murder of millions continues. **World we have a problem!**

Had to take a break from this, my mind is a bit overwhelmed with the responsibility of the decoding I am doing here to bring this information to the fore because **we must stop living between the lies!** On my break I decided to listen to this: <http://www.divinedominoes.com/alert/1080/Decoder-s-Needed-Apply-Here>

Back again to Robert Hare's journey:

Another researcher Kent Kiehl: "We discovered very striking differences between psychopath and non-psychopath brains"

Brain scans actually show that the empathy part of the brain is missing in psychopaths.

"Assessing more than 5,000 brains Kiehl found that psychopaths have functional and structural anomalies that affect emotions, impulse control and cognition,"

"they're properly designed for engagement in predatory behavior"

~>**Treaty of Verona**<~

Extract from the 1916 Congressional Record Senate

Senator Owen believed this document was crucial and wanted it recorded because "I wish to put in the Record the *Secret Treaty of Verona* of November 22, 1822, showing what this ancient conflict is between the rule of the few and the rule of the many... It throws a powerful white light upon the conflict between monarchical government and government by the people."

Extracts from the Treaty of Verona

"The high contracting powers, being convinced that the system of representative government is equally as incompatible with the monarchical principles...to put an end to the system of representative governments "

"the liberty of the press is the most powerful means...to the detriment of those of princes, the high contracting parties promise reciprocally to adopt all proper measures to suppress it,"

"that the principles of religion contribute most powerfully to keep nations in the state of passive obedience which they owe to their princes, the high contracting parties...join in offering their thanks to the Pope for what he has already done for them, and solicit his constant cooperation in their views of submitting the nations "

"I [Senator Owen] ask to have printed in the CONGRESSIONAL RECORD this secret treaty...evidence of the conflict between the rule of the few versus popular government should be emphasized on the minds

of the people of the United States, that the conflict now waging throughout the world may be more clearly understood”

[Senator Owen comments on the Treaty of Verona follow]

“The Holy Alliance [Pope] immediately...by sending Austrian troops to Italy, where the people there attempted to exercise a like measure of liberal constitutional self-government; and it was not until the printing press, which the Holy Alliance so stoutly opposed, taught the people of Europe the value of liberty that finally one country after another seized a greater and greater right of self-government”

“The Holy Alliance made [Pope] its powers felt by the wholesale drastic suppression of the press in Europe, by universal censorship, by killing free speech and all ideas of popular rights, and by the complete suppression of popular government.”

“The Holy Alliance [Pope] having destroyed popular government in Spain, and Italy, had well-laid plans also to destroy popular government in the American Colonies which had revolted from Spain and Portugal in Central and South America under the influence of the successful example of the United States.”

[What? What? The Pope was involved in subversion of our new country? Was he in league with the King of Britain or some other Monarch? Why does the Pope think he has the right to interfere with the creating of the USA?]

“The threat under the secret treaty of Verona to suppress popular government in the American republics is the basis of the Monroe Doctrine [the basis of the Declaration of Independence]. This secret treaty sets fourth clearly the conflict between monarchial government and popular government, and the government of the few as against the government on the many. It is a part, in reality, of developing popular sovereignty when we demand for women equal rights to life, to liberty, to the possession of property, to an equal voice in the making of the laws and the administration of the laws. This demand on the part of the women is made by men, and it ought to be made by men as well as by thinking, progressive women, as it will promote human liberty and human happiness. I sympathize with it, and I hope that all parties will in the national conventions give their approval to this larger measure of liberty to the better half of the human race”.

(Senator Owen, Congressional Recod 1916)

Senator Owen also adds that the Pope “put a Bourdon prince upon the thrown of France by force” thus using that force “to suppress the condition of Spain” [?]...this very treaty gave her [who?] a subsidy of 20,000,000 francs annually to enable her to wage war upon the people of Spain and prevent their exercise of any measure of the right of self-government.”

Owen further states: “It was because of this conspiracy against the American Republics by the European monarchies that the great English statesman, Canning, called the attention of our government to it, and our statesmen then, including Thomas Jefferson, who was still living at that time, took an active part to bring about the declaration [of Independence]”

Wow! Wow! Who or when were we ever taught that the Pope was supporting the eviscerating of our USA? This journey has taken me into parts of history I never knew about.

So this Treaty of Verona is another example of how the psychopath and their systems operate. How many of us truly understand the history of psychopathic systems operating through out the history of the World? My head is spinning. World we have a Problem!

## ~>Revisiting the Declaration of Independence<~

Now going back to the Declaration of Independence and these declarations: 1) their Creator, 2) Supreme Judge of the World and 3) divine Providence – assuming that the Founding Fathers understood all of the European monarchs that were supporting the Pope's effort to eviscerate the USA from being created, included these 3 designations to establish a persons sovereignty. Those 3 designations established a very different form of existence for the citizens of the USA. No Monarch and no Religious authority was recognized to have power over any person. What a revolutionary thought! The people were believed to be smart enough to manage their life without an interfering authority. Why else would those that left Europe for Freedom have a reason to leave their life and family, if not for freedom from falsely assumed authority of Monarch and Religious suppression. Also providing the people the freedom to choose if they even wanted a ruler.

I am going to make an assumption here – that rule by a government rather than a monarch or a religious leader was a radical idea and of course there was great resistance to allow a government of the people's choosing to take place, because that set a precedence for other countries to make changes in their ruling/governing options.

## ~>Oligarchs of Europe<~

Taking that a bit further isn't it interesting that now the "oligarchs" in Brussels are attempting to overturn the people of Britian's choice to leave the European Union as revealed by Nigel Farage on Fox New. What is an "oligarch?"

<http://www.dictionary.com/browse/oligarchy?s=t>

"a form of government in which all power is vested in a few persons or in a dominant class or clique; government by the few....the persons or class so ruling" (had to look up oligarchy to get a clear definition)

What I take from that definition is that there are no legislative bodies representing the people?

Well that is a challenge – to understand who and how the European Union functions. In brief here is the best info I could find (I am keeping it simple because it is complicated)

Source: [https://en.wikipedia.org/wiki/Politics\\_of\\_the\\_European\\_Union](https://en.wikipedia.org/wiki/Politics_of_the_European_Union)

"The *European Council* is the group of [heads of state](#) or [government](#) of the EU [member states](#). It meets four times a year to define the Union's policy agenda and give impetus to integration. The [President of the European Council](#), [Donald Tusk](#), is the person responsible for chairing and driving forward the work of the institution, which has been described as the highest political body of the [European Union](#) "

"The *Council of the European Union* (informally known as the Council of Ministers or just the Council) is a body holding legislative and some limited executive powers and is thus the main decision making body of the Union. Its [Presidency](#) rotates between the [states](#) every six months. The Council is composed of twenty-eight national [ministers](#) (one per state). However the Council meets in various forms depending upon the topic. For example, if agriculture is being discussed, the Council will be composed of each national minister for agriculture. They represent their governments and are accountable to their national political systems. Votes are taken either by majority or unanimity with votes allocated according to population "

"There are twenty-eight [member states](#) who have conferred powers upon the EU institutions (other countries are [tied to the EU](#) in other ways). In exchange for conferring competencies, EU states are assigned votes in the [Council](#), [seats in Parliament](#) and a [European Commissioner](#) among other things. The internal government of member states vary between presidential systems, monarchies, federations

and microstates however all members must respect the Copenhagen criteria of being democratic, respecting human rights and having a free market economy”

“Some member states are outside certain areas of the EU, for example the eurozone is composed of only 19 of the 28 members and the Schengen Agreement currently includes only 22 of the EU members.”

Then I found this – Source: <https://www.neweurope.eu/article/oligarchs-brussels/>

“In order to put an end to this oligarchy we need to rethink the system and restore democracy within the European institutions. We need to give the power back to the people by re-establishing a “government of the people, by the people, for the people”. In order to reach that goal, a number of measures need to be taken simultaneously.

“First of all, we need to give a real political face to Europe, identifying someone in charge who embodies Europe for Europeans, and for non-member states, modelled on the function of the US president. In this way, a single, directly elected European president would represent all the citizens of all the Member States.”

Wow! Wow! Wow! - That is just what I wrote above:

I am going to make an assumption here – that rule by a government rather than a monarch or a religious leader was a radical idea and of course there was great resistance to allow a government of the people’s choosing to take place, because that set a precedence for other countries to make changes in their ruling/governing options.

~>**Synchronicity abounds – pull it all together**>~

The point I am making is regarding when those who rule, seek to maintain the power, by any means necessary. What drives them to maintain their power and have no consciousness about who gets hurt in the continuing quest to maintain power, as the Pope revealed in the Treaty of Verona, the Britain King regarding the formation of the USA? The Chatholic Church has a very violent history in the not to distant past. The horror’s suffered by the Carmelite nun. As I have researched some historical documents, I.e, Statues of Mortmain, Magna Carta, Cannon Law, Monroe Doctrine, Treaty of Paris, and more to figure out what is going on in this World. There was great difficulty in allowing people to be free and masters of their own destiny. Granted some people need rules and guidelines so that they cause no harm to others.

I heard a discussion once about a Buddhist practice for dealing with criminals. For 6 months the criminal is not allowed to speak and is required to have chores to contribute. I contemplated on the principle of 6 months of silence and realized that that person would have only their own thoughts to have a self-conversation with. Are those 6 months the optimal time to assist the criminal to self-examine and then choose to change their ways?

Self-examination or self-challenging is not a practice that seems to be taught in common school education. There appears to be a lack of self-restraint and for some reason with the advent of social media. Keep your unkind thoughts to yourself. Katy Perry did not need to say she would have done *one more fitting*, when it came to Megan Markel’s wedding dress. Why is that important to express publicly? Who cares what Katy Perry thinks about the wedding dress. Small minds talk about people. We need a discussion of ideas, principles, not personal attacks.

Example: When it comes to our political system, if you are not having a Constitutional point discussion, then you have no point. It is either Constitutional or it is not. Any other talking point is a waste of time. And for all of you that claim this is a Democracy – it is in fact a Constitutional Republic!!! Benjamin Franklin warned us regarding the Constitutional Republic - “if you can keep it.”

So now what we have are the psychopaths and their minions and systems attempting to subvert, override, undo our USA Constitution. Why? They are psychpaths, and that is what psychopaths do. Now is a good time to extend the discussion of the psychopath attribute with the vampire metaphor...

Now here is the real eye opener - The deplorable display by the Democreats attempting to covertly ruin Kavanaugh - that was a display of how the psychopathic systems operate. The Democrats attempt to destroy Kavanaugh's dignity, revealed they lack dignity! I knew something was up when only 1 Democrat stood or clapped during the State of the Union, 2018. The Kavanaugh hearing revealed the the Democrats true dark heart, they exposed themselves. That event should really wake you up. FYI; The world is watching . You should hear what other countries people are learning about the Democrats I have given real world examples to wake us up from the myth that psychopaths are only serial killers and pedophiles. Experts agree they infiltrate positions of power to influence and create systems in their own image. They just create havoc and add no value, hiding behind the curtain like the Wizard of Oz. What a great metaphor “Wizard.” Psychopaths are wizards at hiding, mis-directing, co-opting others via the attributes of the metaphorical vampire. Hey how about this metaphor – psychopaths are metaphorical Vampiric Wizards.

It is now time to really wake you up.

<http://alt-market.com/articles/3431-global-elitists-are-not-human>

You must read this article now. Maybe 2 or 3 times. This article is so well wordsmithed, there is not one word that cannot be left out...

## **Global Elitists Are Not Human**

“After studying the behavior of globalists and their organizations for quite some time, I have noticed that their psychological patterns tend to match with a narrow band of people that are best described as “criminally insane.” More accurately, globalists behave like high-functioning narcissistic sociopaths and psychopaths.”

~>**The Star Spangled Banner**<~

Source: [https://en.wikipedia.org/wiki/Star-Spangled\\_Banner\\_\(flag\)](https://en.wikipedia.org/wiki/Star-Spangled_Banner_(flag))

“The Flag was flown over the fort when 5,000 [British](#) soldiers and a fleet of 19 ships attacked Baltimore on September 12, 1814. The bombardment turned to Fort McHenry on the evening of September 13, and continuous shelling occurred for 25 hours under heavy rain. When the British ships were unable to pass the fort and penetrate the harbor, the attack was ended, and on the morning of September 14, when the battered flag still flew above the ramparts, it was clear that Fort McHenry remained in American hands.”

Source: [https://www.washingtonpost.com/opinions/on-its-200th-anniversary-five-myths-about-the-star-spangled-banner/2014/09/11/aa2cab5c-3830-11e4-bdfb-de4104544a37\\_story.html?noredirect=on&utm\\_term=.8987932cfe4f](https://www.washingtonpost.com/opinions/on-its-200th-anniversary-five-myths-about-the-star-spangled-banner/2014/09/11/aa2cab5c-3830-11e4-bdfb-de4104544a37_story.html?noredirect=on&utm_term=.8987932cfe4f)

“[the 15 starred flag] It was raised over Fort McHenry after the bombardment ended on the morning of Sept. 14, 1814, a sight that galled the British but thrilled Francis Scott Key...”

There is a story that the flag was held up by Fort McHenry soldiers through out the night. As I researched this several sources confirm that it was a rainy night and the commissioned flag was in fact wool and was 40 x 32 Feet!. Rain soaked it would have been too heavy to stay on the pole without breaking it. During the battle a smaller a smaller flag was hoisted 17 x 25 feet, and has since disappeared. The original flag from that battle is at the Smithsonian, and said to have been raised the morning after the battle. Thus inspiring the lawyer Francis Scott Key to write a poem, which later became our National Anthem.

I was hoping the soldiers hold up the flag during the night story would be true. However I can find no evidence of that story. Regardless the story of the battle’s results was that the British were defeated by the Americans and the British had tremendous battleships, soldiers, artillery bombardment and still lost the battle.

Why have I brought this up? “Taking a knee” to protest police during the singing of the USA National Anthem. The Flag and Anthem have nothing to do with the Police. The American Flag is a metaphor and a principle about American Independence from the brutal psychopathic attempts of the British/European monarchy and the Pope (treaty of Verona) to bring the 15 states under their rule (Fort McHenry flag had 15 stars for the 15 states). People on both sides of the battle lost their lives and left families without their loved ones. And the World still has the same problem today. Thank you to the psychopaths and their ilk. Regardless of whether they are defined as narcissistic sociopaths...

~>**Decoding the Psychopath**<~

As I have researched and thought about this topic of psychopaths and their systems, and the concern of the professionals who study them and the professional’s dilemma of how to get people of the world to recognize the chaos and destruction the psychopaths and their systems cause. I have presented the information here with as much exhaustible information that I could come up with, so that you on your own can develop the skills to recognize the psychopaths and their systems on your own, giving you the ability to “choose” to step off of their metaphorical chess board, because you now have the information to help you recognize “daily” the psychopathic tactics. I see psychopaths everywhere – in politics, news,

movies, tv shows, etc. I very carefully pay attention to the dialogue I hear, because I am searching for the hidden language they use to deflect attention off of them and onto someone or some event.

We all have a bit of a psychopath who hides in the dark recess of our mind. Recognizing our bity psychopath and learning how to master it's distractions and confronting it with radical honesty is the experience of enlightenment. I have never ever seen or heard anyone explain it like this. Why does it need to be kept a secret? Why can't the enlightened tell us the process?

~>Choosing to not "live between the lies."<~

I was not at all interested in the wedding of Harry and Megan because I assumed what they do over there has no effect on me. Whoa! Whoa! Whoa! Little did I know that their wedding would have a profound effect on me. I found a channel that had a 2 hr overview and recorded it. I watched it a couple of days later. OMG! There were many things I was thinking as I watched. All of a sudden I realized they were choosing to NOT "live between the lies." What follows next will likely upset some of you. That is not my issue it is yours. Dealt with it.

- 1) Megan is not British, Royalty or White. She is divorced.
- 2) Harry and Megan were able to choose each other without having to follow a mandate.
- 3) Charles felt obligated to follow a mandate, to produce an heir.
- 4) Diana knew Charles was involved with Camilla.
- 5) Charles could not marry Camilla because she was divorced, due to the mandate.
- 6) I imagine the Queen is rather perturbed about Harry and Megan's marriage. Did she smile once?
- 7) Harry and Megan are not quite as obligated to follow a mandate as William likely is required to follow.
- 8) I was rather disgusted with Charles for creating an unhappy life for Diana.
- 9) I had heard that Megan asked Charles to escort her to Harry because her father could not attend.
- 10) When I saw Charles offer his arm to Megan – Whoa! Whoa! Whoa! - I was gobsmacked.
- 11) I then began considering what a heart wrenching choice Charles had to make in his loyalty to the mandate. He had to marry another royal and produce an heir. FYI: The Spencer's have far more royal heritage than the Windsors.
- 12) In that moment when Charles escorted Megan to Harry, a transformation of mind took place. Considering the obligations and mandates Charles was under, and having to turn his back on Camilla whom he really loved – I went from disgust to compassion for Charles.
- 13) Interesting that what I assumed about the marriage event for Harry and Megan would not affect me, was so untrue!
- 14) Not only did I have a change of mind I also had a change of heart.
- 15) That is the process of enlightenment. You can't change the world. You can change your mind about the world. My mind changed about Charles thus affecting what I felt towards him. What you think is the source of your emotions.

Enlightenment can happen at any moment. Enlightenment is a process, a journey. If it is also an eventual destination to a different location of time and space in a different realm – I am not familiar with that, though I have heard that it is.

Harry and Megan will likely never know that their wedding brought freedom to my mind and heart about an Issue that bothered me. Whenever I saw or heard something about Charles my mind would always go to thinking what a miserable life he gave to Diana and feel disgust towards him. Now I have a new understanding of Charles journey and feel compassion for him and also admiration that he did what he believed was necessary and set aside his personal desire to fulfill a mandate.

As I was considering adding this event to this dissertation on psychopaths – I considered that since psychopaths lack the empathy part of the brain, therefore feeling no compassion for others – the psychopath may not have the ability to experience the journey of enlightenment during their lifetime. I therefore conclude that it may require emotions to experience enlightenment.

I know there is dark rhetoric about their wedding ceremony, and each of them. So what! There is a saying something like this in the Bible, Old Testament “they meant it for Evil, but God meant it for Good.” So while all of those who are trolling and expounding perceived darkness, I had a transformational experience and it did not occur in their real time because I watched it 2 days after the actual event. Anything can trigger a transformation at any time. Remember I had that transformational experience at my husbands Father’s funeral. Hmmm. A funeral and a wedding, hmmm, 2 certainly opposite events. The point is that both needed my radical honesty to transform. You can either stay stuck in your angst or you can set yourself free. You have the power.

I am so grateful to both Harry and Megan for assisting me to be set free, simply by doing their own journey. How many of you have unawares helped someone else be set free?

~>**The Journey Back**<~

There is a late night radio show “Coast To Coast AM.” I had stopped listening for about 5 years. One day I kept hearing this being said to me - “listen to Coast to Coast” all day long. That phrase pestered me all day. So I turned on the show and a guest was announced. This guest was scheduled for 3 hours and was kicked off after the 2<sup>nd</sup> hour, because the host did not understand what the guest was saying. I was getting it. Then that show for review was reduced down to 13 minutes. What? What? So I got the guest’s book. OMG! What a journey that put me on which led me to another author that totally assisted me to gain an understanding of what the problem of our Earthly experience entails. Boom! Boom! Boom!. This has been around a 15 year journey with all kinds of lessons that were made available to me because of a change of mind throughout the 15 year journey that started with listening to that radio show. The host has no idea how my mind thus my life has changed because of allowing that guest to be on. While ultimately led to be to able to make this presentation on psychopaths and their systems.

I had to effort to make this comprehensive transformation of the mind to take place reading the authors 3 books, then taking on another author’s comprehensive information which I needed to be set free from the religious mind control, leading me to gain the truth of my own journey rather than a journey someone else needed me to take which supported their delusions of grandeur. That is how the psychopath operates. You are convinced that what they teach is the correct information. I guess you could say that I took myself through my own mind deprogramming process. No one in my circle of influence knew what I needed or what I needed next. Even I did not know what I needed next. Something knew and guided me to the next phase of my journey. This new journey has not been easy because most believe that the journey they are on is the right journey for them. As long as there is no harm involved – whatever they do is O.K. For those that truly want to challenge theirself to improve who they are – I have no doubt that what you need next will manifest for you. It manifested for me and continues to do so.

O.K, now onto some horrific realities that must be faced in order to change them.

This is the first article that really woke me up as to what is wrong with the world:

### **Psychopaths Rule Our World – Medicine, Politics and War** (Reprinted with permission)

“The [incidence of psychopathy among CEOs is about 4 percent](#), four times what it is in the population at large. According to [Wikipedia](#), the DSM IV-TR gives the prevalence of psychopathy as 3% in males and 1% in females. Many forensic psychologists, psychiatrists and criminologists use the terms [sociopathy](#) and psychopathy [interchangeably](#). Leading experts disagree on whether there are meaningful differences between the two conditions. Certainly there are meaningful differences from one psycho and sociopath to another. “

“In the United States congress the percentage is higher. In fact, in reading Dr. Ron Paul’s most recent essay [Reckless Congress Declares War on Russia](#)—all but ten congressmen voted for the measure. Any good psychologist would conclude that there are 425 psychopaths in the House of Representatives and only 10 normal people who care about children and everyone else. “

#### **Ron Paul said:**

“Today the US House passed what I consider to be one of the worst pieces of legislation ever. The bill was 16 pages of war propaganda that should have made even neocons blush, if they were capable of such a thing. I can hardly believe they are getting away with it again, and this time with even higher stakes: provoking a war with Russia that could result in total destruction!”

“The resolution directly involves the US government in the conflict by calling on the US president to “provide the government of Ukraine with lethal and non-lethal defense articles, services, and training required to effectively defend its territory and sovereignty.” This means US weapons in the hands of US-trained military forces engaged in a hot war on the border with Russia. Does that sound at all like a good idea?”

“There are too many more ridiculous and horrific statements in this legislation to completely discuss. Probably the single most troubling part of this resolution, however, is the statement that “military intervention” by the Russian Federation in Ukraine “poses a threat to international peace and security.” Such terminology is not an accident: this phrase is the poison pill planted in this legislation from which future, more aggressive resolutions will follow. After all, if we accept that Russia is posing a “threat” to international peace how can such a thing be ignored? These are the slippery slopes that lead to war.”

“A psychopath is not a psychopath unless he or she can hide their tracks with total success. They get away with murder exactly because no one sees it coming because they are that good and that intelligent with their ruinations. So most people would not recognize a psychopath until they are trapped, suffering or dying at the hands of one. This describes most people’s idea of psychopaths who are hidden wolves among the many sheep. But how about those psychopaths who show their colors in broad daylight like the American Representatives just did.”

“However I forget. How many are willing to accuse over ninety five percent of members of congress of being psychopaths? It is just exactly this that could end up ending us all. As sheep we have never learned to hunt the wolves among us. These are nuclear armed wolves. Others are armed with needles and drugs. In the medical world the hurt and harm done by psychopaths is highly personal and more easily hidden.”

#### **Medical Psychopaths**

“A Florida infant was taken away from his mother for five months because he was underweight and she only wanted to feed him soy formula. A Connecticut girl was taken from her parents for one year after a disputed diagnosis. Parents and their advocates are complaining that aggressive doctors and case workers are [pushing parents out of the picture after the parents disagree with a diagnosis](#). “

“This is what we have come to in medicine. It is not just fascism in medicine, and it is not just arrogance. The medical field has attracted the worst elements of society – psychopaths and sociopaths both. Modern medicine kills and maims a lot of people each year because of psychopathic guiding philosophies and practices that direct some specialties.”

"[English doctors](#) who may be ambivalent about vaccines are being weeded out of the profession by the ‘revalidation’ process, where they have to renew their license to practice. Around 8,500 doctors have already left the profession after failing to meet the requirements of the process, and this includes doctors specializing in environmental medicine and others who may hold any ‘alternative’ views. The two most obvious specialties that are abominations to Hippocratic principles are pediatrics and oncology. ”

“A Maine nurse Kaci Hickox, who battled politicians over her quarantine after she returned from treating Ebola patients in West Africa said she will continue speaking out on behalf of public health workers. "In the past, a quarantine was something that was considered very extreme. I’m concerned about how lightly we’re taking this concept today," said Hickox. "I’m concerned that [the wrong people are leading the debate and making the decisions](#). “

“Psychologist Martha Stout – who – clinical instructor in psychiatry at Harvard Medical School for 25 years – estimates in her book *The Sociopath Next Door* that as many as [4% of the population are conscienceless sociopaths who have no empathy or affectionate feelings for humans or animals](#). Using the U.S. as an example, that means that 12 million Americans are sociopaths. Because sociopaths are ruthless and will squash their rivals and burn institutions to the ground in order to reach their goals – but great at pretending that they care about people – they are incredibly destructive. Other mental health experts put the percentage of sociopaths at 1-3% of the population, which is 3-9 million Americans.”

“One of the favorite ways psychopaths choose to hurt others is with poison medications (just look at the side effects to see the poisonous effects of any drug) because it cannot be traced back to them. “It is likely that at some time in your life you will come into painful contact with a psychopath. For your own physical, psychological, and financial wellbeing, it is crucial that you know how to identify the psychopath, how to protect yourself and how to minimize the harm done to you,” writes Dr. Robert Hare.”

### **Psychopaths Fill Top Medical Posts**

“When you look at modern medicine that is responsible for so much death and suffering we can understand the kind of mind (and the lack of heart) necessary to lord over such massive hurt done to others. The God like powers of the CDC and FDA are put in the hands of psychopaths who make it legal for a certain class of people (doctors) to poison their patients with highly dangerous pharmaceuticals. Top officials at the CDC are heartless monsters—mind fiends with no hearts—as good a definition for psychopaths as any.”

“Psychopaths, even those who are psychopathic killers, however, are not mad, according to accepted legal and psychiatric standards. Their acts result not from a deranged mind but from a cold,

calculating rationality combined with a chilling inability to treat others as thinking, feeling human beings. We really have no idea how cold hearted even the medical profession is and how pediatricians insist on injecting more and more poisons into their young patients.”

“The last thing psychopaths want us to know is the truth about them. Psychologist and FBI criminal profiler [Dr. Robert Hare](#) describes psychopaths as "intraspecies predators who use charm, manipulation, intimidation, and violence to control others and to satisfy their own selfish needs.”

“Hare continues, “Lacking in conscience and in feelings for others, they cold-bloodedly take what they want and do as they please, violating social norms and expectations without the slightest sense of guilt or regret. There is a class of individuals who have been around forever and who are found in every race, culture, society and walk of life. Most everybody has met these people, been deceived and manipulated by them, and forced to live with or repair the damage they have wrought. These often charming—but always deadly—individuals have a clinical name: psychopaths. Their hallmark is a stunning lack of conscience; their game is self-gratification at the other person’s expense.”

“Dr. Hare says that, “Psychopaths see nothing wrong with themselves, experience little personal distress, and find their behavior rational, rewarding, and satisfying; they never look back with regret or forward with concern. They perceive themselves as superior beings in a hostile, dog-eat-dog world in which others are competitors for power and resources.”

### **Super Psychopaths at the Top**

“Psychopaths are scarier and much more dangerous than any of us think. They are the ones that are most likely the people to wield a power sufficient enough to hurt the entire earth. The psychopaths at the top of the human food chain are busy building a new world order that creates a stronger more centralized power where they can control every aspect of our existence. This is a problem because the psychopathic elite, not only can they not feel the pain of others, but their power and wealth are gained from deliberately causing others suffering. “

“The nastiest psychopaths gravitate towards the world of medicine where the pain they inflict is very personal. Though instead of knifing people and children in the back psychopaths use mass vaccination to slowly twist their venomous intentions into the soul of our existence. “

“A Bay area mother spends her day caring for a bedridden daughter who can no longer walk and has very little vocabulary. She [blames it on the flu vaccine](#). "She (used to) love school, she was running, playing signing in the church choir," said Carla Grivna, who says the nightmare started last November when she took her daughter to get her routine flu shot. Four days after getting the vaccine, Mary Sue fell ill with a rare viral infection of the brain called Acute Disseminated Encephalomyelitis (ADEM).”

“Vaccinationists are psychopaths who love to hide the hurt and death caused by vaccines. The federal vaccine court pays out billions for the damages that these vaccine touting professionals sing in praise of. Vaccination rates offer them a direct window to the exact percent of the human population they have under their control. Vaccines are used by the elite to see how much government control people will docilely accept and they accept a lot. “

“[Over forty children paralyzed by vaccines in one village](#). Out of 500 children who received the new meningitis vaccine MenAfriVac, at least 40 of them between the ages of 7 and 18 have become paralyzed. Those children also suffered hallucinations and convulsions.”

“Just one of hundreds of examples of the evil inherent in modern pharmaceutical medicine, especially as it is practiced in the United States, where the governmental medical establishment favors the massive poisoning of the public is:”

“John L. Brownlee, the United States attorney for the Western District of Virginia, said the impact of Purdue’s marketing of **OxyContin had resulted in rising crime rates, teenage drug addiction, deaths and other problems.** “The results of Purdue’s crimes were staggering,” he said. Purdue Pharma, agreed to pay \$600 million in fines and other payments to resolve the criminal charge of “misbranding” the product. Purdue Pharma, based in Stamford, Conn., heavily promoted OxyContin to doctors like general practitioners, who often had little training in treating serious pain or in recognizing signs of drug abuse. But experienced drug abusers and novices, including teenagers, soon discovered that chewing an OxyContin tablet — or crushing one and then snorting the powder, or injecting it with a needle — **produced a high as powerful as heroin.** OxyContin is a pure, high-strength version of a long-used narcotic, oxycodone.<sup>[1]</sup>”

“Many companies thrive by creating chemicals, foods, drugs, and dental products that poison and kill people without a trace back to the source.”

*“When a psychopath is caught and chained even then he will not change.”*

“Psychopaths are morally depraved individuals who represent the "monsters" in our society. They are virtually unstoppable and untreatable predators whose violence is planned, purposeful and emotionless. The neurology of psychopaths makes it hard to impossible for them to feel empathy. It does not matter who or how many suffer they just cannot feel the pain of others. They just do not care. “

“The Stanford Graduate School of Business writes, “Because psychopaths can’t feel emotions such as fear, they are well suited to executive decision-making. They can eliminate emotion from weighing the upside and downside of actions; there will be no sleepless nights for them because they have closed a plant and put thousands out of work.”

“On one [anti vaccination site](#) I read these words: “After watching the videos posted below, which are the real stories of victims of the Psychopathic Vaccine Industry and its Pushers, it will crystallize for the viewer the differences between humanity and those distorted beings involved in Vaccine production, promotion and dispensing. Although they are extremely sad and tragic, they are also stories of courage, and highlight the powerful and positive qualities of the Human Spirit.”

“The best way to defeat these distorted beings is to channel the anger one feels about the intentional devastation and destruction of lives, being increasingly imposed on us by these Psychopaths, into spreading the awareness about Vaccine ineffectiveness and dangers, to as many people as possible.”

### **Conclusion**

“Medical experts are saying that the biggest flaw of Big Pharma today is a high percentage of ineffective products being sold without previous clinical trials. This is particularly true when anti-cancer medications are concerned. The sad fact is that Big Pharma prefers to invest in advertising and bribing officials instead of attempting to make their products truly effective. Today pharmaceutical manufacturing is handsomely funded by politicians and organized crime, since it’s has become one of the most efficient money laundering schemes that has already corrupted a large

number of US and EU officials,” writes [Vladimir Platov](#). Not exactly what you would call a clean business model. “

“We have not come up with a way of addressing the worst elements among our race so we doom ourselves to a darkness that plagues humanity. Psychopaths do not feel guilty about anything they do. They do not care if they are wrong. They do not care about you or your children. As far as I am concerned that pretty much describes what the CDC and FDA are all about. “

“Marta Stout in her book [The Sociopath Next Door](#) says, “There is credible evidence that some cultures contain fewer sociopaths than do other cultures. Disturbingly, the prevalence of sociopathy in the United States seems to be increasing. The 1991 Epidemiologic Catchment Area study, sponsored by the National Institute of Mental Health, reported that in the fifteen years preceding the study, the prevalence of antisocial personality disorder had nearly doubled among the young in America, It would be difficult, closing in on impossible, to explain such a dramatically rapid shift in terms of genetics or neurobiology.”

“Robert Hare writes that he believes "our society is moving in the direction of permitting, reinforcing, and in some instances actually valuing some of the traits listed in the Psychopathy Checklist — traits such as impulsivity, irresponsibility, lack of remorse." This is the kind of medical system we have created. In the United States the medical system is an efficient killing machine. “

“Special Note: Political psychopaths are even more common, especially in the United States of America.”

### ~>**Reflection**<~

It took reflection on mental, emotional, and spiritual trauma, as I gained an accumulation of information that I pursued to understand why me as a good person, causing no harm to anyone, having no intent in my heart to cause harm or traumas, was attacked and blamed for things I had not done, experienced great heart break several times, not understanding why people would want to bring those experiences to me. Once I learned that people act out of their own internal pain, bringing painful experiences to others, had not taken the journey to heal their trauma. When you have the experience of trauma perpetrated by another person, is usually due to that person not realizing that causing pain to another human, does nothing to heal that pain.

I had watched hours of Oprah and Dr. Phil shows. Eventually I ended up yelling at Dr. Phil, to say “causing pain to another person, does nothing to heal your pain.” I finally had to quit watching Dr. Phil as I never, ever heard him say those words. I guess I had taken this learning as far as I could.

Then as I began paying attention to world issues and their continuity of never ending wars, conflict, false flag operations to distract, political bully pulpit, etc. I could not understand why they just don't talk to each other. Why is there such an investment in ongoing conflict? I wondered whom does it serve? Aren't people tired of this constant conflict? I certainly am. Why can't we have peace? Why can't we co-operate and get along?

### ~>**Political Turpitude**<~

When an Earth tragedy occurs like an earthquake, people from other countries with equipment and skills show up to assist. What the hell is wrong with politics? I am so tired of Pelosi and Schummer. They just only effort to keep the conflict ongoing. That is stupid! Stupid! Stupid! During the State of the Union I watched in shock as the Democrats sat stoically through the whole presentation. I think there was just 1

Democrat that stood at some point. Really? Really? Only 1 Democrat stood! I thought “the Emperor has no clothes.” That is a metaphor for – *the Democrats really revealed themselves* didn’t they? How could they be so unified against President Trump who is doing so many good things. For years I said we need a business man to run the business of the country. How can any of you sleep at night with such viciousness in your heart? There is a saying in the Bible that goes something like this: “come let us reason together.” Why can’t that be the case now? What has happened to us, America, England (the muslim take over of the government) the muslim rapes in Sweden, now called the Rape Capital of the World. Really Sweden that is what you want to be known for now?

It just occurred to me that the same thing is occurring here in the USA Trump political world. I am not one for labels, however, since they are defined in politics as left and right and most understand what that means to some degree. Using the left and right as a metaphor – here we go – The left is acting just like the psychopathic Monarchs and Pope who resisted the creation of the USA. Now for the literal – The Left cannot tolerate ***independent thought***. The Left is still attached to a fantasy outcome, and still 2 years later they are like a child throwing a tantrum because they did not get what they believed they deserved. I am mystified as to why they can’t get over the loss. They are still suffering and because they can’t reconcile that what they believed they deserved and not what the people “basket of deplorables” wanted. I am so glad someone recorded that so that we could have insight as to what the true thinking of of the falsely entitled thought about us ***independent thinkers***. Think on that – because we did not want that deplorable leader as our president – we are the problem. Really? It is the same as wanting them to be worshipped as our God - that is what the Framers separated us from in the Constitution, Bill of Rights, and Declaration of Independence. Do you get it yet? It is still the same psychopathic agenda. Psychopaths believe they should be our God(s), and adored while they murder, rape, molest, sacrifice another human being in horrific rituals. HRC – that is what is “horrific.”

Here is the true issue – us deplorables saw through your psychopathic agenda and stopped you. Many knew something was wrong, yet had no way to define the issue. This is why I am providing this information, so that we have a clear definition of what is wrong with this world. Psychopaths are “unhuman” and will stop at nothing to rule the rest of us by any deplorable means necessary. Metaphor here: The curtain is pulled back and you are exposed. Get over yourself. Crawl back into your dark hole and stay there and play with your fellow psychopaths and leave us the hell alone. We know who you are, how you operate and are rising up to keep you in your dark hole.

**~>See, Hear, Speak no Evil or Head in the Sand – These are no longer an option<~**

You would not believe all of the things that have somehow showed up to support this effort as I am writing it. What follows next is an expose’ on the foundation for secret societies that perpetrate harm with a false belief that creating the most heinous of acts will bring salvation to the world. What you watch or read next will certainly curl the hair under your toes. Those of us who have empathy will want to vomit. The conundrum is that this horror must be faced/recognized and dealt with if we are to take back control and put this world back in sane working order. Those who perpetrate such heinous crimes are not creatures of a Divine connection. Hello! Hello! - This is what Roseanne Barr understands – this is what she is fighting for – to wake people up to the insane criminals – so that we can establish a sane world.

To the Hollywood Liberals: You must be Scientologists. Your vile rhetoric toward the Trump family is no different that the demoralizing tactics used against the Free Thinkers who leave Scientology. Thank you for revealing that just like the Emperor – You Have No Clothes!

*What follows will likely be on of the most shocking videos you will ever watch.*

Youtube video - Source: <https://www.youtube.com/watch?v=oe5y2651ISM>

Source: <http://www.energyenhancement.org/Luciferian-Satanic-Sabbatean-Frankists-Kabbalist-Illuminati-CULT-OF-THE-ALL-SEEING-EYE.htm>

Reprinted with permission.

This explains how the Illuminati got their foundation. It is very, very sick and twisted

“Sabbateanism was a 17th-century Jewish Messianic movement in which its leader, Shabbetai Tzvi, claimed to be the Messiah. Tzvi maintained that the Messiah would have to sin before he could bring redemption of the Jewish People. “

“Since that time the Sabbatean Jews have been the enemies of the Torah Jews; only the Torah Jews were sent to the concentration camps of Hitler..”

“The sultan permitted Sabbatai to associate with other Jews and preach in their synagogues. He succeeded in bringing over a number of Muslims to his Satanic Kabbalistic views. Whether through his efforts or their willingness to follow in his latest steps, about 300 families of Sephardic Jews converted to Islam, becoming known as the Dönme (also spelled Dönme). The followers adhered to a combination of their Satanic practices as well as Islam.”

“By the 1680s, the Islamic Dönme had congregated in Salonika, the cosmopolitan and majority-Jewish city in Ottoman Greece. For the next 250 years, they would lead an independent satanic communal life — intermarrying, doing business together, maintaining their own shrines, and following their secret sexual satanic traditions.” Kemal Attaturk was born in Salonica.”

“Jacob Frank is believed to have been born as Jacob ben Leiba (or Leibowitz) in Korolivka, in Podolia of Eastern Poland (now in Ukraine), in about 1726. His father was a Sabbatean, and moved to Czernowitz, in the Carpathian region of Bukovina in 1730, where the Sabbatean influence at the time was strong. “

“As a traveling merchant he often visited Ottoman territories, where he earned the nickname "Frank", a name generally given in the East to Europeans, and lived in the centers of contemporary Sabbateanism: Salonica and Smyrna. In the early 1750s, Frank became intimate with the leaders of the Sabbateans. Two followers of Sabbatian leader Osman Baba (d. 1720) were witnesses at his wedding in 1752. In 1755 began to preach the "revelations" which were communicated to him by the Dönme in Salonica.”

“Frank reworked the concept of Tzvi's Sabbatean " Messiah who sins" in encouraging adherents of the movement to engage in sin, with the logic that if salvation could be attained through holiness from sin, it could also be achieved through indulging in sinfulness. Thus, the practices of the Frankists consist of orgiastic, sexually promiscuous rituals. “

“Jacob Frank taught "holiness through sin" and that "good" would come through the triumph of Evil. “

“What was prohibited would be allowed including adultery, incest and pedophilia. “

“Witchcraft and satanic rituals were introduced with animal and human sacrifices.”

“Jacob Frank reversed the truth. "Since we cannot all be saints, let us all be sinners." “

“To ascend one must first descend. No man can climb a mountain until he has first descended to its foot. Therefore we must descend and be cast down to the bottom rung, for only then can we climb to the infinite. No region of the human soul can remain untouched by this struggle.”

“I did not come into this world to lift you up but rather to cast you down to the bottom of the abyss...The descent into the abyss requires not only the rejection of all religions and conventions, but also the commission of 'strange acts,' and this in turn demands the voluntary abasement (degradation) of one's own sense of self, so that libertinism (no morality) and the achievement of that state of utter shamelessness which leads to a tikkun of the soul are one and the same thing.”

“Going against your Soul Path induces shame and guilt and their Karmic consequences. The Perversion of your Soul Path induces degeneration of the energies of enlightenment leading to the psychopathy of Satanism.”

“Inspired by Satan, he wrote the doctrine of the Antichrist which permitted orgiastic, sexually promiscuous rites – incest, rape and sexual intercourse with children, including sodomy on young boys. Lucifer was declared the “true god”. Witchcraft and satanic rituals were introduced with animal and human sacrifices.”

“In 1755, Jacob Frank formed an official body of believers in the Kabbalah, who became known as Zoharists. Their sacred writing is the Zohar - the most important writing among the 550 books of the Kabbalah. In 1756, Jewish Rabbis and leaders who had not been converted to the Kabbalistic teachings of Sabbetai rejected Jacob Frank and his followers and declared them heretics.”

“Frank led his followers into the Roman Catholic Church where he was baptized. By 1760, the Roman Catholic Inquisition discovered that Frank and his followers were using Catholicism as a cover for their evil ends. Frank was arrested and imprisoned for the next 13 years. “

### **FRANKFURT GERMANY - BIRTHPLACE OF THE Luciferian Satanic Illuminati**

“Upon his release from prison, Jacob Frank traveled to Frankfurt, Germany where the Rothschild banking family were headquartered. Frank was granted the title of Baron, lived the life of a wealthy German nobleman and attracted a large following of Jews in Germany and in other European countries including the Austro-Hungarian Empire. The city of Prague became a center for Frankist Jews and played a major role in the beginning of the Zionist movement. “

“Frankists have now infil-traited the highest levels in commerce, media, religion, and government, especially in the United States. The Frankists, Sabbateans (another Apostate Jewish cabal ) and the Illuminati, among other esoteric groups, represent what is called the "Rich Men" in the Bible because of their great wealth. “

“The Roman Catholic Church directly pressured the formation of this cabal known as the Illuminati in Conspiracy Literature, by persecuting Jews in the Middle Ages and beyond, particularly in the Spanish Inquisition, by forcing them to accept Catholic Christianity. “

“It was the wish of some Jews to overcome the yoke of cruel Catholic anti-Semitic persecution that led them to initially embrace Sabbatianism from which Frankism evolved. These Jewish "Conversos," are also called "Marrano" Jews. “

“Famous Marrano Jews are the Rockefeller Family and Jacob Weishaupt, a Catholic Jesuit Jewish Theologian (who also founded/reformed the Illuminati ), and the followers of Jacob Frank, now in turn, exhibit clandestine control in, and collaboration with, the Catholic Church. “

“Rulers and Emperors, like Joseph II of Austria were subverted by Frank's own daughter, a beautiful woman known as Eva Frank and by the process of hierogamy (sex with a goddess, or representative or prostitute - Crowley's, "Whore of Babylon" or the Sodomite, "Dog Priest" with his bottom in the air, of Egypt - dedicated to a pagan deity or demon, which is what Eva Frank was represented to be) was initiated into Frank's cult. “

“Indeed, after Jacob Frank (shown left ) was on the scene long enough to espouse his "mystery religion," what was known as the "Hell Fire Club" sprang up in conjunction to Frank's "sacred sexuality" practices in the 18th-century. American Revolutionary Patriot and Freemason, Benjamin Franklin was a frequent guest to this Club in England. “

“Franklin was the leading Freemason in the very place where the War of Independence was organised; he was a member of British run Freemasonic networks in France, like the Nine Sisters and the San Juan Lodges, which started and manipulated the French Revolution in 1789; he was an initiate of the highly exclusive Royal Lodge of Commanders of the Temple West of Carcassonne; he was also a member of the Satanic Hellfire Club with his close friend, the British Chancellor of the Exchequer, Francis Dashwood, 15th Baron le DeSpencer (Princess Diana was a Spencer) who was linked to many esoteric groups, including the Druid Universal Bond. “

“Dashwood had a huge cave dug at his West Wycombe (Wicca) estate for their Satanic rituals and sexual magic ceremonies. They understood and worked with the Satanism while condemning it in public and hiding behind Christianity.”

“Another Hellfire Club member at this time was Frederick, the Prince of Wales, and so were the Prime Minister, the First Lord of the Admiralty, and the Mayor of the City of London. This was the company kept by Benjamin Franklin, the man who would pretend to lead a rebellion against the same British Crown! In truth he was Agent 72 of British Intelligence, the very same organisation created by people like Francis Bacon and Dr John Dee (Agent 007) during the reign of Elizabeth I. “

“In 1998 excavations under Franklin's former home at 36 Craven Street, near Trafalgar Square in London, found the remains of ten bodies, six of them children, and they have been dated to the time that Franklin lived there. The cover story appears to be that he and his house mate must have been into grave robbing or buying bodies for medical research. Given that Franklin was a member of a group involved in ritual sacrifice, in line with the ancient rituals of the Satanic Babylonian Brotherhood, does anyone seriously believe that?”

“Jacob Frank, who claimed to be a Messiah of the very spirit of Tzvi, taught his followers to convert to another religion and hide behind that religion to practice their Satanism, hence the Frankists converted to Catholicism en masse in 1759 amid a great deal of fanfare. This action also meant that Frankists would integrate with existing Sabbatean elements in the Roman Catholic Church to facilitate eventual takeover of the Vatican. Many of the Catholic Priests found to be involved in pederasty are infil-traited Sabbatean Frankists.”

“Another one of Frank's prominent teachings was the accumulation of wealth and riches, even by the most devious and criminal actions, thus this is why the Bible calls such the formation of "The Rich Men."

“Frank lived out his life supported by his large following and subsidized by European nobility. Frank nominated his daughter Eva or Eve, to continue the work of his movement until her own death in 1816. She became the object of a devotional subcult herself, with some followers keeping small statues of her in their homes or pictures of her portrait. A copy image of her portrait is a very rare find.”

“ONLY A THUMBNAIL IMAGE of Eva Frank is available of an portrait commissioned by her father in the late 18th Century. Eva Frank was regarded as a very beautiful, intelligent, and charming woman. The official portrait of her is a well guarded relic available only to practicing Frankists. A priest profiled in Lucifer's Lodge showed his devotion to her when he went back into his burning house to retrieve her portrait. Supreme Court Justice Lewis Brandeis, a known Frankist, was also a Eva Devotee and kept a framed portrait of her on his very desk. “

### **THE UNHOLY TRINITY**

“It was the Kabbalistic leadership that handpicked Jacob Frank to develop the teaching begun by Sabbatai Zevi and to indoctrinate Mayer Amschel Rothschild and Adam Weishaupt. This alliance of Frank-Rothschild-Weishaupt formed an unholy trinity. “

“1. THEOLOGY: Jacob Frank was in charge of creating a Satanic theology that would be the foundation

for revolutions.

2. BANKING: Mayer Amschel Rothschild was in charge of world banking.

3. REVOLUTION: Illuminati Jesuit Adam Weishaupt was in charge of the Satanic revolutionary political development in the world. “

“This same hetero or Sodomitic hierogamy existed in Pagan fertility worship and was also popular in the Kingdoms of Israel and Judah, which led to their downfall and eventual captivity. “

“Jewish scripture blames the division of Solomon's kingdom on Solomon's "sins." Though scripture states that Solomon was the wisest of all men, it nevertheless faults him with foolishness when it came to three things. 1. He gathered too much gold. 2. He took too many wives. 3. He acquired too many horses. These three things were expressly forbidden to Jewish kings in scripture. “

“It God Himself who, through Moses, set this warning before the future kings of Israel. What was Solomon thinking? Too make a long story short, the prophesy of a "messiah" promised to restore the glory of Israel and took hold over the minds of the Jewish people. The messiah would be a man, with Divine authority, who would take over where Solomon left off. “

“The Davidic royal dynasty would be restored with Jerusalem at the center of their ever-lasting Kingdom. This time, however, Davidic dynasty would establish rule over the entire Earth. The messiah would be a Jewish king, a descendent of David who would pick up where Solomon left off and establish a messianic dynasty upon the entire world. Solomon had taken a lot of heat for his sins but were they sins? Perhaps Solomon was in the process of fulfilling the role of the messiah? “

“Let's look at his "sins": In Deuteronomy 17:16-17, a king is commanded not to multiply horses or wives, neither greatly multiply to himself gold or silver. “

“1. Greatly multiply gold or silver: Was Solomon attempting to establish a World central bank?

2. Multiply horse: Was Solomon attempting to assemble the world's greatest army?

3. Multiply wives: Solomon had 700 wives. 700 is a metaphor. According to Jewish tradition, the world is comprised of 70 nations. 10 is a kabbalistic metaphor for completeness. 700 denotes that Solomon was married to all the princesses of the known world, from the daughter of Pharaoh on down. He was son-in-law to the lesser kings and noblemen of the known world. This act of massive polygamy united the nations of the world into one family. “

“In short, Solomon's sin brought global solidarity. Solomon turned all nations into allies through mass marriage and allies don't fight allies. Family doesn't war with family.”

“Solomon was indeed wise. He married into the tribes of his surrounding neighbors. This is what enabled him to offer his subjects 40 years of uninterrupted peace. Scripture doesn't relate just how many children Solomon fathered as a result of his relationship to those 700 princesses and 300 concubines. “

“He had 40 years to create an international spy ring if you will. You can do the math. Yes, I said spy ring. Solomon's immense family became fused with the tribes and nations from whence his wives and concubines came. Over the course of 40 years children were born. Many naturally became ambassadors and infil-trating agents of the Solomonic kingdom insuring peaceful diplomatic relations between Solomon and their mother's country of origin. “

“Others became spies, infil-traitors, mingling among the same lands. In essence, Solomon's wives over time provided Solomon with a far-reaching and often times clandestine intelligence network. A network loyal to the king who also happened to be father. There is no loyalty stronger than filial loyalty.”

“The wisdom of Solomon was not lost on Shabbatai Tzvi or his children. “

“Yes. Shabbatai Tzvi had children. The children of Shabbatai Tzvi however are all around you. “

“Remember Solomon's network. The children of Shabbatai Tzvi are your leaders and heroes. They are also your villains and your bad guys.”

“Shabbatai Tzvi knew that he needed to multiply his seed on a scale more efficient than monogamy allowed. Although he had several wives he did not accomplish many children through them. He did surround himself at times with "virgins." Sometimes up to seventy at a time.”

“The sex rituals of Jacob Frank and his movement enabled Shabbatai Tzvi's seed to be propagated even in a seemingly "monogamous" culture. One male descendant of Shabbatai Tzvi can impregnate any number of women during a sex ritual. Obviously, a female descendant can not match that kind of messianic reproductive activity. Over time, using Solomon's breeding model, Shabbatai Tzvi's children and followers were able to secretly multiply the sacred seed of the messiah. “

“Beginning within the Donmeh sect the descendants of Shabbatai Tzvi began to multiply. Through the efforts Jacob Frank, as well as other Sabbatean sects, Shabbatai Tzvi's seed spread across Europe, across the Atlantic and into Asia. Wherever there were Jews, there were secret infil-traitor Sabbatean-Frankists. “

“When Jacob Frank converted to Christianity in Poland, along with hundreds of his followers , the seed of Shabbatai Tzvi followed.”

“Wait a minute...Poland? Is the Pope a Catholic? Was Hitler a Rothschild? Was Stalin a Rothschild? Was Mao a 33rd Degree Freemason of the Orient Lodge? Is Bill Clinton a Rockefeller? Are ex head of the IMF Dominique Strauss-Khan, and French politicians and Presidents Hollande and Sarkozy, Frankists?”

“In short, modern Sabbatean-Frankism is no longer associated with Judaism alone. That is why the war of the last two hundred years appeared to be fought by gentiles and financed by Jewish bankers. In truth, they were instigated by, led by, and financed by Sabbatean-Frankists to accomplish the One World government of Shabbatai Tzvi”i.

“Infiltration is the key word here. While we are on the subject of Sabbatean Frankist breeding programs. Have you ever wondered why the Sabbatean-Frankist banking house of Kuhn-Loeb financed the Mormons? Apparently, the Mormons approached Kuhn-Loeb for financing.”

“Did the Sabbatean-Frankists create Mormonism so that they can rapidly multiply the seed of Shabbatai Tzvi more effectively? Were they experimenting with the Solomonic model? Is Utah a whole state of people who don't realize that they are the product of a successful Sabbatean-Frankist breeding experiment? Is Utah some kind of polygamous model for the future? Does anyone know how babies are going to be made in the New World Order? I'll bet the Sabbatean-Frankist calling the shots in the world do. How sure are you about anything anymore? The pope is Catholic, right? That is still a certainty, right?”

“Shabbatai Tzvi, the "Mystical Messiah" and Jacob Frank, the "Militant Messiah" and their dynasty, the Rothschilds. The result of Sabbatean-Frankist messianic efforts have achieved what David and Solomon had initiated. As regards:”

“1. Multiply Gold & Silver: The value of gold, Libor and Forex (ten trillions \$ a day) is fixed everyday in the offices of the Rothschilds in London.

2. Multiply Horses: The Rothschild's Sabbatean-Frankist messianic cult operates the worlds largest peacekeeping force through the United Nations and NATO.

3. Multiply Wives: The sex rituals of the Sabbatean-Frankists have exponentially multiplied the group in a hidden manner providing politicians with no apparent link to the cult that can operate on either side

of a given political party or conflict of war. Bastards are spares like Stalin, Hitler and Bill Clinton and many more who can be used in all situations.”

“The United Nations envisioned by David and Solomon have been realized through the Cult of the All-Seeing Eye a.k.a. Sabbatean-Frankists. This realization occurred on a global scale. There was more blood shed than David shed in battle with Canaan. "They created a desert and called it Peace" - Tacitus, Peace has been achieved, or rather, will soon be achieved across the Earth rather than within the regional kingdom of ancient Israel.”

“Hetero or Sodomitic Hierogamy also exists in Satanic rites as "everyone in the Craft" is aware of "when one has sex - Hetero or Sodomitic - with a Satanist, demons - "or evil spirits, such as lust and sexual bondage" which are Implant Energy Blockage Sexual Addiction Blockages which are always injected absorbed transmitted into the other partner, as that person ' becomes one flesh' with the seducing Satanist" or Satan, in which the Satanist is standing in for! “

### **A FORM OF MIND CONTROL..**

“One of the stories of Satanism in world history is also a story of the introduced Pagan element of Tantric Ritual Sex (with the Whore of Babylon) and Ritual Homosexual Anal Intercourse into any Religion - in a way, turning every Sacred Symbol upside down - thus the ability to turn any Religion into its perverted Satanic opposite. “

“Whilst these satanic practises activate the Kundalini; because they are against the Will of the Soul, they also convert your pure positive spiritual energy which has been stored, thus reducing your good energy stored to enable Enlightenment, thus perverting and degenerating those who practise these rituals into psychopathic satanists, - which is their purpose.”

THE MOVIE, EYES WIDE SHUT is said to be about Frankist sexual rites and based on a 1926 novella Dream Story by Arnold Schnitzler. Schnitzler was either a Jewish Frankist himself or quite familiar with “Frankist practices as shown in this feature film remake of his work by Stanley Kubrick. Schnitzler was an outrageous philanderer in his lifetime and kept a detailed diary of his multiple sexual trysts and, ...even his orgasms. Kubrick apparently had some Frankist connections to want to remake this novella, also but did not live long enough to see the film released... Perhaps he revealed too much... “

“The words, "eyes wide shut," is a mystical phrase used in Monarch Mind Kontrol (MK Ultra) Programming and Satanic Cults meaning "whatever you see, don't reveal," which was the theme of the movie. It should be noted, that the sexual rituals and activities featured in this film go back 10,000 years to before Babylon, thus showing that this is NOT a new phenomenon... and that Frankism was alive and well in that era as well as today in the Catholic Church.”

“The movie, "The Da Vinci Code" starring Tom Hanks attempts to normalise the Satanic Sexual Ritual of Hieramos Gamos - Sex with the Goddess or the "Whore of Babylon" which it portrays on film.”

### **Sabbatai Zevi and Sabbatean Frankism - The Satanic Cult That Rules the World**

“Infiltration of the Elite Oligarchs and their families - Atlantic Integrationists anyone? - in Every Nation in the World - is their tactic. “

“They don't advocate a Satanic kingdom. They gently steer you that way by questioning the existence of God, by demanding "sexual liberation," "independence" for women, "internationalism," "diversity" and "religious tolerance." These all have a hidden agenda: to undermine "all collective forces except our own.”

### **Sexual Excess as a Religion**

“We are told "free love" is "progressive and modern." In fact, like Satanism the Sabbatean sect has

indulged in Sexual Rituals including wife sharing, sex orgies, adultery and incest - increasing sexual addiction leading on to homosexuality, pedophilia, bestiality, and pornography for more than 350 years. They have inducted us into their cult. “

“Antelman cites the proceedings of a rabbinical court where Shmuel, son of Shlomo tearfully confessed he had rejected the Torah and had encouraged his wife to have sex several times with Hershel. "I am guilty. She did not want to." (111)

“Jacob Frank pimped his beautiful wife to recruit influential men. “

“Adam Weiskaupt, the founder of the Illuminati, got his sister-in-law pregnant.”

“A pertinent anecdote: In his book, "The Other Side of Deception," Mossad defector Victor Ostrovsky described how the Mossad relax. At a party, the staff, including many unmarried young females, congregated around a pool, totally naked.”

### **The Holocaust**

“The influence of the Sabbatean conspiracy is hidden in plain sight. For example, the term "Holocaust" is used without regard to its true meaning. Rabbi Antelman states that well before World War Two, the term meant "burnt offering" as in sacrifice. (p.199)”

“As at Bohemian Grove - we see in pictures and videos - Human Sacrifice of a child, whether real or not, by burning, is the Ritual of "The Cremation of Care" in front of a Forty Foot high statue of an Owl symbolising Minerva and thus Cybele and Attis - the State Religion of the Roman Empire - inducing a closing of the heart, lack of empathy and conscience - Psychopathy as the aim. This Ritual is attended - we have the pictures - by major World Oligarchs, Presidents of the United States, scientists, Hollywood stars - The creation of people tough enough to do what is necessary to attain their end result.”

“He quotes Bruno Bettelheim who says "calling the most callous, most brutal, most horrid. most heinous mass murder a 'burnt offering' is a sacrilege, a profanation of God and man." (205)

Whose sacrifice was it? For what purpose? Obviously, it has something to do with the Sabbateans' occult practice. Every time we use that word, we unwittingly join in their sacrilege.”

“According to Antelman, the Sabbateans hated Jews and sought their extinction. He cites rabbis who warned as far back as 1750 that if the Jews didn't stop the Sabbateans, they would be destroyed by them. (209)”

“And indeed when some Jews tried to save European Jewry from genocide, Antelman says "the conservative and reform communities [in the US] went their merry way ignoring these activities. So called establishment organizations like the American Jewish Congress, American Jewish Committee, and B'nai Brith did virtually nothing." (217)

### **Intermarriage**

“Sabbateans only marry within their demonic sect. They often marry into top elite bloodline families of rich, influential Gentiles. Thus, the Fourth Baron Rothschild (Jacob's) mother was not Jewish nor is his wife.”

“Another example is Al Gore's daughter Karenna's 1997 marriage to Andrew Schiff, the great grandson of Jacob Schiff. Gore's father was a Senator sponsored by Armand Hammer (Occidental Petroleum) whose own father was the infiltrator founder of the American Communist party. Like Hitler and Dubya, Al Gore is another Illuminati agent in charge with his Company - "Blood and Gore" of the Trillion Dollar

Carbon Tax scam - his reward for allowing fellow Bohemian and member of the Nazi Death Cult, "Skull and Bones" of Yale University, Bush, to win the Presidential election..”

### **Conclusion**

“Mankind is in the grip of a vicious Satanic cult whose power is so great, they can make their war against humanity seem normal and inevitable. Even when their plot is exposed, they can convince everyone that it is racist and in bad taste to believe it. They have men fixated on porn while they erect a police state.”

“Western society is morally bankrupt. This elaborate cult network controls politics, information and culture. Most leaders are dupes or traitors. The "Intelligentsia" has been bribed while the public is distracted and lives in a fool's paradise. “

“Like most nations and religions, Jews have been subverted from within. Zionists are pawns of the Sabbateans who used the "holocaust" to engineer the creation of Israel. Millions of Jews been "sacrificed" to create a Sabbatean Homeland, a "burnt offering" to Satan. “

“God gave man Life: a Miracle full of inherent Beauty and Meaning. He gave us everything we need to develop according to his Plan.”

“But people who think limitless power and wealth are better than infinite love have hijacked humanity. They want to spoil our Divine Rendezvous and enslave us instead. This is the real meaning of our politics and our time. “

[There is much much more. You can research further at the website link provided at the beginning of this reprint.]

It is only a partial reprint that helps to make the point of the psychopaths and their systems. The article's author sent me some additional supportive information in the reply email message. I have decided not to at it at this time. I may add it to the “enlightenment” category at [www.divinedominoes.com](http://www.divinedominoes.com) . I hesitate because it is information that most could not handle.

If you are here at the end of Part I then you have taken an “Eyes Wide Open” journey. Some straight talk with supporting material – I had no idea existed. There is not a bunch of fluff words just to fill up space. I believe in these 49 pages, and if you have read the accompanying articles probably takes you up to maybe 70 pages of critical information, that helps you solve mystifying issues that make no sense. Once you pull back the curtain by reading this expose' you will have given yourself the tools to “know” the who and why of those mystifying issues, so that you can disengage, step off their metaphorical chess board, and be free and independent to choose your journey.

Happy trails to you till we meet again in Part 2.

**Infrared** is an invisible light that is therapeutic to the body. The human body both sends and receives infrared within a specific infrared spectrum, referred to as the "Vital Rays. These rays have been shown to be most beneficial to the body.

Passing infrared through **Amethyst and Tourmaline crystals** creates a unique bio-available energy. The amethyst modulation of the infrared is what creates soothing, and deeply penetrating warmth that the body craves.

Gemstone-quality amethyst crystals are known for their beneficial effects on the body since ancient times. The "Amethyst Effect" is a change in infrared light when refracted through amethyst crystals. Scientists experimented passing infrared light through a variety of substances, including various gems, glasses and plastics. Amethyst was found to be the only substance which clearly changed the spectrum of infrared light. Waveforms mimicked patterns similar to the human voice according to scientists and increased bio-availability.

**Avoiding the Nursing Home**

**George**  
After 2 years of continuous use [during sleep], blood pressure, cholesterol, etc. are like that of a 30 yr old. We are now certain that there will be no need to spend \$5k to \$7k monthly for a nursing home. With the daily cost of just 30 cents per night, that is less than a cup of senior coffee at McDonald's or Jack in the Box for the next 10 yrs!

**It's never TOO late**  
At 85 yrs he began utilizing the Bio-Mat  
Diagnosed with Silicosis, fibrosis and bacterial infection, all contributing to coughing up blood daily. His Dr. gave him no hope. With the Bio-Mat he still coughed up brown mucus that changed to clear within 2 months of continual daily use. "I have been able to continue work on my mini ranch with no breathing problems." Dr. report - no pleural effusions, or pain, no hemoptysis, no infection. Harold jokes about getting a job he feels so good!!!

# Infrared

Infrared is a type of light that is invisible to our eyes. Infrared is a band in the electromagnetic spectrum just below the frequency of visible light. The prefix 'infra' means 'below' (lower frequency than red light). About 49% of the energy from the Sun that warms the earth is infrared.

The spectrum of light that appears to be most resonant with cell tissues falls within the infrared spectrum. The human body both sends and receives infrared. The body emits infrared wavelengths between 3 and 50 microns with the greatest output around 9.4 microns (1 micron = 1 millionth of a meter). Within the infrared spectrum, in the 6-14 micron range, are rays known as the "Vital Rays." These rays have been shown to be most beneficial to the body.

The **Original Bio-Mat** is tuned to deliver infrared within this vital ray spectrum. This tuning of the infrared is why the **Original Bio-Mat** resonates so well with the body.

The infrared becomes greatly enhanced in the body through the amethyst crystals allowing the cells to pull in the therapy which circulates throughout the body, thus alleviating pain, stress and so much more.

## Infrared Health Benefits

There are many health benefits from the use of infrared. Some of the listed benefits are:

1. Supports cardiovascular function
2. Improves immune response
3. Relieves pain
4. Eases joint stiffness
5. Reduces stress and fatigue
6. Improves skin
7. Assists in detoxification
8. Boosts serotonin to elevate mood

Research performed by Tiina Karu, M.D., of the Laser Technology Center in Russia, holds that the infrared spectrum of light speeds up cellular metabolic processes, like stimulating the activity of mitochondria, and triggering enzyme activity as well as the healing, regeneration, and normalization of damaged cell tissue.

When using an infrared mat, the blood is warmed and the blood vessels are dilated. In addition, nitric oxide is released. This combination improves circulation.

The body's immune system is very temperature sensitive. As the body temperature increases, the immune response also increases. When the body temperature drops below normal the immune system becomes impaired.

Professor Abo (Japan) states that our immune functions are improved by 40% when we increase our body temperature by 1°C (1.8°F).

Ishihara Yumi, PhD (Japan) stated that body temperature raised 1°C above normal increases immunity 5-6 times and that when body temperature dropped 1°C decreases immunity 30%.

A short time on the Original Bio-Mat will often result in a reduction in pain. This can be seen even in a 15 minute session at the mid temperature levels. This is a result of the relaxing of the body, reducing stress, and increasing blood flow in the area of discomfort.

While a short session may reduce pain temporarily, with continual use chronic pain can often be reduced.

After sleeping on the **Original Bio-Mat** you may notice less morning stiffness. A warm body is much more flexible.

Infrared has been known to assist in the detoxification of the skin. Many people will notice changes to skin after several months of continuous sleeping on an infrared mat.

Infrared sessions, especially at high temperatures can assist to detoxify the body. The detoxification effect is not just toxins eliminated through sweat, but also assistance given to all the body's detox pathways.

Infrared through Amethyst Crystals organized the infrared into therapeutic patterns for the body
